

## The Yun Family's Ninth Child is an Imp! Chapter 3361

The Kitten in the Spiritual Beast Bag Peaked and barked twice. "The thing that summoned me is nearby. Master, be careful."

Yun Chujiu did not take the kitten's words seriously before, but now she was a little concerned. She asked, "What do you think the thing that summoned you is? Is it looking for you with good intentions or Malice?"

The kitten was silent for a moment, and then said, "I can't say for sure, but it's like someone deliberately seduced me with dried fish."

Yun Chujiu touched her chin. What exactly was it? What was it trying to do by seducing the kitten?

The group finally passed through the bone area. Before they could breathe a sigh of relief, a white light flashed, and the group disappeared on the spot.

Compared to the Panic of Emperor Nan Xuan and the others, Hei Xinjiu was much calmer. After all, this fellow had experienced too many such things. She wanted to see what the hell was playing tricks on them.

When they regained their sight, they found themselves in a stone hall. The ground was filled with mountains of spirit stones and storage rings. It was simply blinding.

Hei Xinjiu's eyes were shining. Oh My, I'm Rich! A blessed person did not need to be busy. He was just casually chased and killed, and he actually got such a great deal?

One of the guards could not hold back his greed. He bent down and picked up an immortal sword. Before he could say anything, he fell to the ground with blood flowing out of his seven orifices.

Everyone was stunned. They could not help but feel fear. If they had reached out to take those things just now, wouldn't they have died as well?

Could it be that these things were all highly poisonous?

Yun chujiu twitched her mouth and stretched her neck as she shouted, "Which shameless person brought us in? Get the hell out here! How dare you play such a dirty trick like poisoning us? How Shameless!"

Emperor Nan Xuan and the others wished that they could shut Yun Chujiu's mouth. Oh My God, we are now fish meat on the chopping board. Aren't you courting death by being so arrogant?

Yun chujiu shouted a few times but there was no movement. The fellow rolled his eyes. "Since you won't come out, then don't blame me for being rude! I will accept all these things with a Smile!"

As Yun Chujiu spoke, she began to collect these things into her storage ring. As she did so, she said,

"Isn't it just poisonous? What's there to be afraid of? ! I am an alchemy master. When I go back, I can simply concoct some medicinal powder to remove the poison on it. This time, I have struck it rich!"

Seeing that the things on the ground were decreasing at a speed visible to the naked eye, an angry voice said, "Little Ant, Stop! These things are all mine!"

"Your grandmother's Leg? ! Whoever snatches it will get it! Get lost!" Yun chujiu ignored the voice and continued to keep putting things into her storage ring. It would be a waste not to take it!

Finally, a shadow blocked in front of those things and said angrily, "Little Ant, you are courting death!"

Yun chujiu looked up at the huge shadow in front of her. It looked weird, but it looked like the kitten before it transformed.

When Yun Chujiu was looking at it, she heard prime minister Sima's cry, "Pi Xiu, Pi Xiu, this is the Godly Beast Pi Xiu!"

Emperor Nan Xuan and the others also said, "Oh my god, it's really the Godly Beast Pi Xiu. No wonder there are so many treasures here. So this is Pi Xiu's cave abode."

Yun Chujiu was stunned at first, then she laughed out loud, "So, so, you are the unlucky guy without fart and Yan? hahaha! I'm dying of Laughter!"
