

The Yun Family's Ninth Child is an Imp! Chapter 3366

Emperor Nan Xuan and the others could not help but look at Yun Chujiu. How many more secrets did this little girl have?

No wonder she became the emperor of the East Phoenix Kingdom in just a few months after arriving at the towering sky continent. It turned out that not only did she have a bellyful of evil tricks, she also had so many trump cards. They had really underestimated her.

After da Hua joined the battle, Pi Xiu was clearly unable to hold on any longer. It was now regretting it to death!

If it had known that this wretched girl was so perverted, it would not have brought them in no matter what. But now, it was easy to invite the gods, but difficult to send the gods. It was most likely going to die today!

At this moment, Da Hua's figure began to dim and then disappeared.

Pi Xiu was overjoyed. Without that damned pig, it might still have a chance of survival.

Who would have thought that Yun chujiu would raise her hand and release that mini purple pig again.

Yun chujiu said obsequiously, "Dear da Hua, Go! Beat that Pi Xiu to death!"

Then, she was stunned to find that da Hua had actually rushed up and disappeared with a slap from Pi Xiu!

Yun Chujiu:"..."

So it turned out that her spiritual beast had to turn black to be powerful?

She only had one sentence in her heart, "F * ck, I don't know if I should say it or not. F * ck, this is simply a scam!"!

Pi Xiu was obviously a little dumbfounded too. eh? Why did it suddenly become powerful? It actually dissipated that thing with a slap?

Pi Xiu immediately felt extremely heroic. The more he fought, the braver he became. He actually had the upper hand faintly.

This was because Pi Xiu's remnant soul was much more solid than Tao Wu's and Qiong Qi's. Hence, his strength was slightly stronger than the other two.

Qiong qi immediately complained, "Little Fairy, what are you doing? ! What's the use of letting that little guy rush up? ! Let Him Transform!"

Yun chujiu glared at Qiong Qi. She did not know that she had to let da Hua transform. Damn it, there was no one else who could meet such a spiritual beast!

Yun chujiu had no choice but to release da Hua again. Then, she said with disdain, "Da Hua, why are you so useless? It's fine if you look like a pig, but why is your brain also a pig's brain?"

Can't You Be Smarter? I just have no choice. Otherwise, I will let Qiong Qi be my spiritual beast."

Qiong Qi grinned and said flatteringly, "Little Fairy, Yes, you are right! I am much stronger than it! I am the Bright Moon in the sky, and it is the mud on the ground..."

Before Qiong Qi finished his words, Da Hua's body turned black, and then his body began to grow bigger. First, he glared at Yun Chujiu fiercely, and then at Qiong Qi.

Qiong qi trembled, he looked at da Hua with disdain. "Why are you looking at me with such hot eyes? Don't tell me you have fallen in love with me? Let me tell you, I only have little fairy in my heart. Don't think about me!"

The corner of Yun Chujiu's eyes twitched violently. She said to Da Hua who had turned black, "Da Hua, that Pi Xiu called you a good-for-nothing just now. Hurry up and kill it!"

Pi Xiu who was caught in the crossfire:"..."

It clearly did not say anything, alright?

Da Hua did not care whether Pi Xiu had said anything or not. He was full of anger now. He could not beat Yun chujiu or Qiong Qi. Naturally, he vented his anger on Pi Xiu.

Pi Xiu was really unlucky!

After being beaten up by Da Hua and the other three, the last three started to bite Pi Xiu's remnant soul. Qiong Qi said to da hua while eating, "You are a spirit beast now, don't waste this Pi Xiu's remnant soul! Go and stay away!"
