

## The Yun Family's Ninth Child is an Imp! Chapter 3368

Yun chujiu stared at Da Hua who was eating crazily with a hopeless expression. Her heart ached terribly!

She looked at it for a while, then she asked qiong qi, "I've seen Tao tie's appearance in the ancient books. It looks very fierce. Although da Hua now has a pair of wings, its appearance is clearly that of a pig! Are you mistaken? Why do I feel that it should be called the flying pig?"

"Flying pig? hahaha! Emma, it's so funny!"

Qiong Qi laughed for a while before continuing, "Little Fairy, I'm also puzzled. How did it turn into a pig? Perhaps it's because it can eat like a pig. hahaha, I can't take it anymore. I need to laugh for a while..."

Da Hua glared at Qiong Qi. However, it was clear that spirit stones and spirit tools were more attractive to it, so it did not go looking for trouble with Qiong Qi.

Yun chujiu did not care about da Hua who was eating non-stop. She glanced at Emperor Nan Xuan and the others from the corner of her eyes. Her heart sank. All of her trump cards had been known by these people. She had to think of a way.

There was no heart demon oath in the sky high continent. Although she could control them with poison, it was inevitable that they would have rebellious thoughts. What should she do?

Yun Chujiu's eyes lit up as she thought about it. She gave Qiong qi and Tao Wu a look. Although the two of them did not sign a contract with Yun Chujiu, the two of them quickly understood what she meant.

The two of them suddenly attacked Emperor Nan Xuan and the others. Emperor Nan Xuan and the others were stunned by the series of changes. Moreover, they were injured. How could they be their opponents? !

Almost in an instant, they were knocked out.

Qiong qi said flatteringly, “Little Fairy, you are getting worse and worse! Are you going to kill them to silence them? How do you want them to die? Do you want me to strangle them to death or slap them to death or stomp them to death?”

Yun chujiu ignored this idiot and pulled out the nightmare beast that was reading a script. “Curly hair, weave a dream for them. Let them think that they have worked together to kill Pi Xiu’s remnant soul.

Erase everything about the Cat Cub and me. Let them think that it was just an illusion. Weave it more realistically for me. Otherwise, don’t read the script in the future.”

The Meng Yanshou saw Qiong Qi, Tao Wu, and Da Hua who was still eating and drinking. It was extremely obedient and nodded its head hurriedly.

Although this fellow was also a ferocious beast, it was still slightly inferior to Tao Wu and the rest. Hence, it could not help but feel a little guilty and was afraid of being taught a lesson.

Meng Yanshou felt that he was living a cowardly life! Ever since he followed this black-hearted little girl, it seemed that anyone could step on him. When he returned to his original form, he would definitely teach them a lesson!

Yun chujiu did not know about the rich inner activities of the Meng Yanshou. When the Meng Yanshou was weaving a dream for Emperor Nan Xuan and the rest, she kept qiong qi and Tao Wu into the ancient jade bottle.

Fortunately, da Hua had finally disappeared!

Yun chujia looked at the few remaining spiritual stones and spiritual tools on the ground and gritted her teeth in anger. She took some from her storage ring and placed them on the ground to prevent Emperor Nan Xuan and the rest from suspecting her.

Yun chujia checked again and then remembered something. Why was there no Pi Xiu's skeleton and fur in it?

She could only release the Idiot Qiong Qi and ask it what was going on?

Qiong Qi curled its lips. "Pi Xiu only comes in and doesn't come out. How can it leave its skeleton and fur to others? ! It's probably hidden somewhere or simply destroyed!"
