

## The Yun Family's Ninth Child is an Imp! Chapter 3372

Emperor Nan Xuan and the other two took a while to recover from their grief and anger. Then, they asked unhappily, "Your Majesty Fenghua, the contract has been signed. How are we going to get there?"

Yun chujiu curled her lips and smiled mysteriously. "Enjoy the Show!"

Emperor Nan Xuan and the others did not understand what was going on. They saw Yun Chujiu take out a voice transmission talisman and say something to someone. Then, she stared at the distant border with a smile.

Emperor Nan Xuan and the others could only stretch their necks and look around. What kind of show was this?

In less than an hour, they saw dust billowing in the distance. There were over ten thousand people surging from the territory of the Dongfeng Kingdom to a place not far from the border. The leader was Yun Zhichen.

The general of the Jingmu Kingdom who was stationed at the border was called Shang Liangxin. When he saw Yun zhichen bringing so many soldiers over, he asked in bewilderment,

"What is the meaning of this? Do you want to invade our Jingmu Kingdom?"

Yun zhichen cupped his fists at him. "General, you have misunderstood! I just received a voice transmission talisman from my majesty and said that she would arrive at the border soon, so I came to welcome her."

Shang Liangxin couldn't help but sneer in his heart. He had received a voice transmission talisman from the crown prince a long time ago. The female Emperor of Zephyr Nation and the other three monarchs had entered the spirit extermination valley and were most likely dead, how could they have arrived here safely?

The people of the East Feng Kingdom were simply lying through their teeth. They were probably trying to get information about the Zephyr female emperor!

Thus, Shang Liangxin put on a fake smile and said, "This general has heard that the four monarchs are still our Jing Mu Kingdom's capital city as guests. Please return! Otherwise, don't blame us for being impolite!"

Yun zhichen frowned. "Is that so? His Majesty did say that we will reach the border soon. General, please make it easy for us to wait a little longer."

As Yun Zhichen spoke, he transferred a large amount of spirit stones to Shang Liangxin. Shang Liangxin accepted the benefits, immediately, his attitude changed. "Alright, in that case, you can wait here. "However, this general will give you at most two hours, more than two hours. You must leave, or else you will be suspected of invading my Jing Mu Kingdom."

Yun zhichen nodded repeatedly and asked the soldiers behind him to bring over a lot of food and wine. He said with a smile, "This is a small token from our East Phoenix Kingdom to relieve everyone's fatigue."

The soldiers of the Jing Mu Kingdom were used to eating and drinking, so they naturally wouldn't be polite. They ate and drank in groups of three to five, and only a dozen soldiers symbolically walked back and forth at the border.

Seeing this, Yun Chujiu lowered her voice and said, "I'm going to count to three. You guys charge forward as fast as you can. As long as you cross the border, the people of the Jingmu Kingdom won't be able to make things difficult for us. Do You Hear Me?"

Emperor Nan Xuan and the others nodded repeatedly. No wonder this little girl said that they would be safe as long as they crossed the border. It turned out that she had already arranged heavy troops here.

The reason why she didn't let Yun Zhichen lead his troops to rescue them was probably to prevent the Jingmu kingdom from causing trouble. This little girl was really meticulous!

Yun chujia counted in a low voice, "One, two, three, Go!"

Emperor Nan Xuan and the others ran forward with all their might. What a joke. This was a matter of life and death. If they ran too slowly, they might be taken hostage by the Jingmu Kingdom.

Shang Liangxin and the soldiers of the Jing Mu Kingdom were eating and drinking. Before they could react, they saw several figures whooshing across the border.

When they reacted, they heard the deafening slogan of the soldiers of the east phoenix kingdom, "Welcome, your Majesty! Your Majesty is Peerless in the world!"
