

The Yun Family's Ninth Child is an Imp! Chapter 3380

Jing Jiahong was shocked. Did that B * tch come up with some evil plan again?

Jing Jiahong immediately stopped the Army and sent people to climb up the cliff to check.

Very quickly, a soldier came over and reported, "Your Highness, there is no one on either side of the cliff, but we found this."

That soldier handed a large piece of white cloth to Jing Jiahong. Jing Jiahong unfolded the white cloth and saw the words on it, "Idiot, if you are not satisfied, come and fight! I will wait for you in front!"

Jing Jiahong was so angry that he tore the white cloth into pieces. That Damn B * Tch! It was really detestable to the extreme!

"Full speed ahead! Give Chase!"

Not long after, a scream came from the front.

Jing Jiahong frowned. "What's going on?"

Shang Liangxin checked it, he said angrily, "Your Highness, many soldiers in the front fell into a big trap. Not only were there sharp knives stuck in it, but the knives were also smeared with poison. This woman, the female emperor of Fenghua, is really too mean!"

Jing Jiahong gritted his teeth and said, "Tell everyone to pay attention and continue to chase after them."

Following that, the army of the Jing Mu Kingdom encountered over a hundred traps and tripwires. Although they were prepared later and didn't suffer many casualties, they still slowed down their speed.

Finally, they saw a city in the distance. It was Jialing city that was blocking the army's path.

Jialing city had already activated its no-fly formation, so if the Jing Wood Country Army wanted to pass through, they could only take it down.

"Your Highness, although Jialing City is the only way to the East Phoenix Country's capital city, as far as I know, its defenses aren't that strong, so we can take it down quickly." Shang Liangxin said.

Jing Jiahong nodded. Just as he was about to let the Jing Wood Country Army attack the city, he saw a person appear from the top of the city wall.

He was dressed in red and had a smile on his face. Who else could it be but Yun Chujiu!

"Hey! Idiot, we have been waiting for you for a long time! Come over and attack the city! Let's fight to the death!" Yun chujiu smiled and hooked her finger.

Jing Jiahong stared at Yun chujiu coldly and said, "What are you playing at? ! Yun Chujiu, I advise you to surrender as soon as possible!

"If you surrender, I can let bygones be bygones for your crimes, and I can also ensure that you don't have to worry about food and clothing. "If you continue to be stubborn, not only you, but everyone in the East Phoenix Kingdom will die!"

"TSK TSK, that's a nice way of saying it! Do you have no shame? Do you think you scum can catch me? Come on, attack the city! Aren't you powerful? I want to see how powerful you are!

Don't worry about attacking the city. This time, I promise you that there is no conspiracy! Didn't you see it? There is only me on the city wall. You just need to charge over and win!" Yun Chujiu said with a smile.

At this moment, prime minister Sima, who was crouching behind Yun Chujiu, kept wiping the cold sweat on his head. Oh God! Their Emperor must have gone crazy!

There were only him and His Majesty in Jialing City. Once the army of the Jing Wood Kingdom attacked the city, they would definitely die! This was simply courting death!

When Shang Liangxin heard Yun Chujiu's words, his heart moved. This was a good opportunity for him to make up for his mistakes., thus, he hurriedly said to Jing Jiahong, "Your Highness, this B * Tch has always been scheming. She must have arranged some trap for us. We Can't fall for it!"

Jing Jiahong nodded. This Yun Chujiu was obviously abnormal. She wanted him to attack the city so urgently. There must be something fishy going on. He had to be careful to avoid repeating the same mistake.
