

The Yun Family's Ninth Child is an Imp! Chapter 3390

Yun chujiu put down the voice transmission talisman and looked at the expressionless di beiming.

“Did you seal your emotions?”

Di beiming's expression did not change at all. He said indifferently, “Maybe. I don't remember.”

“Then how can you break the seal?”

Di beiming did not say anything. It was unknown whether he did not know or did not want to answer. He asked with a calm expression, “Don't you have a question to ask me? What is it?”

Yun chujiu was silent for a while, and finally said, “After you were frozen, brother Wuji told me that you were injured in order to find my parents, and then your old illness acted up.

“As far as I know, the Yun family is not that powerful. Why were you injured?”

“The Madam Ye in the Yun family's nunnery is fake. I was ambushed when I was tracking her whereabouts,” di beiming said indifferently.

“A fake? Isn't my mother in the Yun family nunnery?” Yun chujiu grabbed di beiming's sleeve and asked in disbelief.

Even in her dreams, she didn't expect that the person in the Ye family nunnery was not ye Lan. Then who was the person pretending to be ye Lan?

Di beiming frowned slightly when he saw Yun Chujiu's hand grabbing his sleeve.

Seeing this, Yun Chujiu withdrew her hand embarrassedly and asked, "Then, was my mother taken away by someone? Where did she go?"

"The place you can't go to right now, so you don't have to ask anymore. I will naturally investigate the whereabouts of your father and mother and let your family reunite."

"The place I can't go to? What is that place? Is my father and my mother together?"

Di Beiming glanced at Yun Chujiu, "You just need to wait. I will naturally settle this matter. You Don't have to ask anymore."

Yun Chujiu heard Di Beiming's words and could not suppress the anger and grievance in her heart, "You always don't tell me anything and always make me wait! Is this fun?"

Don't you have no emotions? Then why are you doing this? Is it because you like me or because of duty and obligation?

You Don't Let Me Touch You. Damn it, who was the one who shamelessly took advantage of me back then? ! "If it wasn't for Gou Weiba's trouble, perhaps a few monkeys would have been born. Now, pretend to be serious and shameless!"

A faint ripple finally appeared in Di Beiming's calm eyes. He said in a cold tone, "This venerable self did this naturally for your own good. Why are you so agitated?"

"This venerable self should like you, but this venerable self doesn't know what it means to like. Are you satisfied with such an answer?"

When Yun Chujiu heard Di Beiming's words, she was so angry that she was about to go crazy!

Satisfied my ass!

What does it mean to like me?

She clenched her fists and looked at di beiming, "Do you not know what it means to like me?"

Di beiming looked at Yun Chujju who was like a furious lion. His eyes were still indifferent, "I don't know."

Yun chujju laughed coldly, "Very well, I will teach you what it means to like me now."

Di beiming was puzzled when his soft lips touched his.

Di beiming pushed Yun chujju away and took out a handkerchief to wipe his mouth. Then, he frowned unhappily, "What are you doing? ! I have said that I don't like to be too close to people, and I don't like to be intimate with them."

Yun chujju bit her lips and looked at the handkerchief in di Beiming's hand. She raised her hand and slapped di beiming hard on the face before rushing out of the room.
