

The Yun Family's Ninth Child is an Imp! Chapter 3391

Di beiming could have avoided Yun Chujiu's slap, but when he saw the girl's red eyes, he was stunned for a moment and took the slap head-on.

There was a slight anger on his calm face, but it quickly disappeared.

He looked at the handkerchief in his hand again, and a black flame rose from his other hand, wanting to burn the handkerchief.

But when the flame approached the handkerchief, he extinguished the flame in his hand again. He was stunned for a moment, and then put the handkerchief away.

He searched through the memories in his mind. He had had this kind of skin-to-skin contact with her many times before. Why did he do this? Was it because he liked her that he wanted skin-to-skin contact?

Although the touch of the girl just now did not make him particularly disgusted, he did not feel that this was something that he had to do.

He pushed her away, and it made her so angry and sad? It was really unreasonable!

Although he didn't have any emotions or desires, he remembered a few things. The first thing was to always be good to little jiu.

Be Good to her?

How could he be good to her?

Wasn't it good to help her find her biological parents?

Di beiming clearly couldn't understand why Yun Chujiu was angry. He thought for a moment and said in a low voice,

"Forget it! I will help her kill those ants from the Jing Mu Kingdom. This should be for her own good. Then, I can go and do the second thing."

Di beiming thought of this and walked out of the house. Just as he was about to leave the city Lord's mansion, he stopped. Should he tell her before leaving?

Di beiming looked through his past memories. It seemed that he had to tell her every time he left. Moreover, it seemed like there had to be... Skin-to-skin contact?

Di beiming frowned. Saying Goodbye was fine, but skin-to-skin contact was fine! Otherwise, he might as well say goodbye and just leave!

Di beiming took a few more steps forward. The image of Yun Chujiu's angry and sad look appeared in his mind. He paused for a moment. Should he check her condition first and then decide whether he should say goodbye or not.

Thinking of this, he released his spiritual sense and quickly locked onto the courtyard where Yun Chujiu was.

But, she... was crying?

The young girl lay on the bed, crying very sadly. As she cried, she cursed, "Pretty Boy! You're a heartless, heartless man! I've always been thinking about you, yet you're doing this to me!"

“Every time, I just change my personality, but this time, I’ve become a F * cking monk! You made me look like a woman, a pervert, a wolf. I’m so angry!”

“You’re so Shameless. You even used a handkerchief to wipe your mouth. Do you really despise me that much? Pui! Back then, you shamelessly tried to take advantage of me, but now you’re acting like a Gentleman? Shameless!”

“To think that I was so touched before. I didn’t expect you to turn hostile and refuse to acknowledge me! You sealed your seven emotions and six desires. Why didn’t You F * cking seal your little brother? !”

..

Di beiming:”...”

Little brother should be referring to that place, right?

Di beiming’s calm eyes were suddenly filled with a faint layer of anger. Without even thinking, he jumped into Yun Chujiu’s courtyard.

Then, with a bang, he smashed the door!

Yun Chujiu, who was crying and cursing, was speechless

Didn’t they say that there were no seven emotions and six desires? What happened to peace and tranquility? What happened to no desires?

Di beiming was also confused. Ever since he broke out of the ice, he had never lost control of his emotions. How could he do such a childish thing like knocking on the door?
