

The Yun Family's Ninth Child is an Imp! Chapter 3393

Di beiming frowned slightly. He waved his ice blade and cut the piece of cloth that was dirtied by Yun Chujiu. Then, he said indifferently, "Do you think I want to kill you? I Won't kill you."

Yun Chujiu was stunned for a moment. Then, she finally reacted. Damn it, she had scared herself to such an extent. It was so embarrassing!

Di beiming felt that this little girl was really unreasonable. It was better to leave as soon as possible. Hence, he did not care about Yun Chujiu's reaction. He lifted his leg and was about to leave.

"Hey, are you not going to kill me no matter what I Do?" Yun chujiu reached out to block the door and asked.

Di beiming nodded without any hesitation. "That's right. I Won't kill you no matter what you do. Even if you want to kill me, I won't kill you."

Yun Chujiu's heartbroken heart was immediately comforted. Damn it, this gigolo still had a conscience! However, since he wouldn't kill her, what was there to be afraid of? !

Who cared if he had seven emotions and six desires or not! Even if it was an ice sculpture, she still wanted to make him hot, passionate, and fiery!

Di beiming looked at the little girl with tears on her face, but there was a hint of craftiness in his eyes. He felt that his heart seemed to be beating a little faster.

Di beiming frowned. He must be angry because his clothes were dirty. He calmed down a little and immediately returned to his calm state of mind.

“Now that you are done with your questions, move aside! I will go and get rid of the Jingmu Kingdom’s army,” di beiming said coldly.

“My dear, how do you want to get rid of them? Although you are pretty awesome, there are tens of thousands of them!” Yun chujiu asked with a smile.

Di beiming frowned again when he heard Yun chujiu call him “My dear”, but he still answered, “I will go and kill Emperor Mu Xuan. Then they will naturally retreat without a fight.”

Yun chujiu showed a look of admiration, “My Prince Charming, you are really wise and wise! You actually thought of such a good idea! My admiration for You is like a torrential river...”

“Are you done? Next time, when you talk, just pick something useful and say it. Don’t talk about this nonsense. It’s a waste of time,” di beiming said coldly.

Yun Chujiu: “...”

F * ck!

How could she take down this kind of person who refused to listen to both hard and soft tactics? !

This guy rolled his eyes and sighed. “Alright, you can go then! You can do whatever you need to do. I’m fine.”

Di beiming nodded slightly, “It’s good that you’re like this. Don’t be unreasonable in the future.”

Yun chujiu nodded obediently, “My Prince Charming, what you said makes sense. I’ll listen to you from now on.”

Di beiming nodded lightly and walked out of the house.

Just as he was about to leave, he heard a loud bang from inside the house. He frowned and thought for a moment before he turned around and returned to the house.

He saw Yun Chujiu curled up on the ground. Her forehead was covered in bean-sized beads of sweat as she bit her lips.

Di beiming felt as though his entire heart was throbbing. He quickly picked up Yun Chujiu who was on the ground and asked, "What's Wrong?"

"No, nothing. You Can Go! Don't worry about me." Yun chujiu said weakly. Her voice was so weak that it sounded like she was going to die at any moment.

Di beiming reached out and pressed on Yun Chujiu's pulse. The pulse was extremely chaotic. He frowned and searched through his memories. He said coldly, "Is it because of that Guai Cao?"

The guai Cao in his dantian was about to collapse!

Oh God!

Oh God!

It was a good grass!

This matter had nothing to do with it!
