

The Yun Family's Ninth Child is an Imp! Chapter 3398

Di beiming nodded his head in satisfaction. "Very good. Although your personality is a little naughty, at least you can listen to my opinions. It's not bad."

Yun Chujiu silently chanted a few times in her heart before saying, "I will always listen to your words in the future, Prince Charming. Oh right, Prince Charming, when did you break the ice seal? What are your plans next?"

"Less than ten days ago. I have my own plans for the future. I will accompany you for a few days before leaving," di beiming said calmly.

Yun chujiu saw that di beiming had returned to his ice-sculpted face, so she did not continue to question him.

However, this guy counted with his fingers. This pretty boy probably came to find her as soon as he broke the ice seal, so he had a conscience.

At this moment, Yun Chujiu's stomach growled. This guy just remembered that she had not eaten anything for a day.

Di beiming glanced at her. "Hungry?"

Yun chujiu nodded happily. Even though the gigolo had lost his seven emotions and six desires, he still cared about her? If he let her eat later, she would think of a way to let him feed her..

Just as he was thinking happily, he saw di beiming take out a porcelain bottle, poured out a fasting pill from it, and handed it to her. "Eat it!"

Yun Chujiu:" ..."

Eat your head! You actually want me to eat fasting pills?

Yun chujiu looked at the fasting pill in di beiming's hand with disdain. "I don't want to eat this thing. I want to eat warm food."

Di beiming was slightly displeased. "How can a cultivator be greedy for food? ! Besides, eating those dishes will waste a lot of time. If you have that time, can you use it to cultivate?"

Yun chujiu looked at di beiming with a blank face. Di beiming thought that she had been convinced by him, so he raised his hand and stuffed the fasting pill into Yun Chujiu's mouth.

Yun Chujiu reacted and spat out the fasting pill. "I don't care! I want to eat warm food. If you insist on me eating this fasting pill, I'd rather starve."

Di beiming looked at the fasting pill on the ground and then at the indignant Yun Chujiu. A hint of displeasure flashed across his eyes. "As you wish! It's getting late, you should rest."

After di beiming finished speaking, he turned around and left the room.

Yun chujiu was so angry that she gritted her teeth and cursed silently. Then, she hurriedly took out the food and started eating. Damn it, no matter how angry she was, she could not treat her stomach badly. She was the one who was starving and uncomfortable.

Di beiming pushed open the room next door. He used the cleaning spell to clean up the room before lying on the bed.

He originally did not want to care about Hei Xinjiu next door, but after thinking about it, he released his spiritual sense to check. He thought that the little girl would be so angry that she would cry again. He did not expect that the little girl's mouth was full of oil, she was eating a chicken drumstick in her hand!

Di beiming:" ..."

He shook his head. No wonder his spiritual power was so low and he was so greedy for food. He had to find a way to correct it. Otherwise, he would leave towering sky continent soon. Her safety was a problem.

Di beiming felt that his emotions had been calm ever since he broke the ice seal, but today, he felt that his emotions were constantly fluctuating along with that little girl. He could not help but frown. It must be because he felt guilty toward her., that was why it was like this.

Yes, it must be like this.

As the night deepened, di beiming felt slightly sleepy. While he was half-asleep, he sensed the sound of someone moving in the next room..
