

The Yun Family's Ninth Child is an Imp! Chapter 3399

Di beiming frowned slightly. Could it be that she had gotten up to drink water?

Just as DI beiming was about to use his spiritual sense to check, he realized that the footsteps were approaching his room. Then, he realized that his room door had been carefully pushed open.

Yun Chujiu's little head looked at the door. When she saw that di beiming was lying flat on the bed and did not make any movements, she quietly entered the room and closed the door.

This guy tiptoed to the side of di Beiming's bed. Just as he was about to climb up, he saw di beiming open his eyes and looked at her like a cold star. "What are you doing?"

This guy's mind went blank for a moment. He was discovered climbing into a man's bed in the middle of the night. Wasn't it awkward? !

However, this guy's skin was unusually thick. He said pitifully, "The door of my room was smashed by you, so I was a little scared and wanted to sleep with you."

Di beiming was slightly stunned. Only then did he remember that he had indeed smashed the door of the room next door.

He sat up and got off the bed. "In that case, you can sleep here. This venerable self will sleep next door."

"Prince Charming, can you stay with me? I haven't been able to sleep well these few days because I'm always worried that the people of the Jingmu Kingdom will catch up with me. I only feel safer with you by my side." Yun Chujiu said pitifully.

Di beiming originally wanted to refuse, but when he saw Yun Chujiu's watery eyes, he said in the end, "In that case, you can sleep. I'll sit on the Chair and watch you sleep."

Yun chujiu immediately smiled brightly and nodded vigorously, "My Prince Charming, I knew you were the best to me!"

Di beiming was a little absent-minded. Was this treating her well? Since she thought it was good, he would just watch her fall asleep for the next few days.

Yun chujiu climbed onto the bed with both hands and feet. She first laid down at the place where di beiming had laid down for a while, and then she climbed onto the bed and lay on her side.

Di beiming asked in confusion, "Why are you doing this?"

Yun Chujiu's little face was flushed red, she used her claws to point at the place where di beiming had laid down, "Because there is your aura here, my Prince Charming! I just laid down for a while, and my body was stained with your aura. I feel very happy and at ease."

Di beiming suddenly had an indescribable feeling in his heart. It was as if there was some sour and sweet feeling. He was very repulsed by this kind of unfamiliar emotion. His face was covered with a layer of frost. "It's getting late. Hurry up and sleep!"

Yun chujiu saw di Beiming's sudden change in expression and could not help but curse in her heart. Crazy! He turned hostile just like that. Only I can tolerate this kind of crazy!

This guy had slept for the whole afternoon. How could he sleep now? !

Therefore, he looked at di beiming who was sitting on the chair without blinking. TSK, tsk. The more he looked, the more interesting he became! Especially that stuffy and flirtatious look that made people feel itchy!

Di beiming could not ignore the hot and stinging look that almost ate him up. He opened his eyes and said, "What are you looking at with such a shifty look? If you don't want to sleep, go back to your own room."

Sneaky Eyes?

Hei Xinjiu almost spat out a mouthful of blood!

He was clearly looking at her with his Bright Eyes, alright? !

"Prince Charming, I'm looking at you! I think you're getting more and more handsome. There's nothing wrong with appreciating beauty, right?" Yun Chujiu said pitifully.

Di beiming looked at her indifferently. "There's nothing wrong with appreciating beauty, but how can you explain it when you're drooling while looking at it?"
