

The Yun Family's Ninth Child is an Imp! Chapter 3402

The Army of the Jingmu kingdom was originally lacking in confidence. Now that Shang Liangxin had been killed, they were in a mess.

It was only then that they saw the man standing beside the female emperor and looking at them coldly.

Everyone felt a chill run down their spines. They did not dare to resist at all.

The senior generals looked at each other. They did not believe that Emperor Mu Xuan would kill them all. This man was unfathomable. They were no match for him. It was better to go back and make a long-term plan!

Therefore, under the leadership of the senior generals, the army of the Jingmu Kingdom disappeared without a trace.

Prime Minister Sima was dumbfounded. Damn, this fiancé of His Majesty was really powerful! 'he actually scared off tens of thousands of the Jingmu Kingdom's army the moment he showed up'?

Yun chujiu felt a little bitter and proud at the same time. 'damn, when did I become so awesome?!'

Just as he was thinking about it, he heard di beiming say coldly, "Follow me back!"

Although his voice was no different from usual, Yun chujiu could still hear some anger in it. This guy couldn't help but feel a little confused. 'what did I do to provoke him?'?

However, this fellow had always been tactful. After giving a few words to prime minister Sima, he followed di beiming and left the city wall.

Along the way, Di beiming did not say anything.

Yun chujiu could not figure out what this crazy person meant, so she did not say anything. The two of them walked silently into the city Lord's mansion.

After entering the house, di beiming sat on a chair. Yun chujiu was about to sit down when she heard di beiming say coldly, "Do you think I'm Dead?"

Yun chujiu was so shocked by his sudden words that she almost sat on the ground. She said weakly, "Prince Charming, where did you start? How can I Think You're dead? ! You will always live in my heart!"

Di beiming:" ..."

Yun Chujiu felt that something was wrong after she said that. She smiled embarrassedly, then, she said, "Prince Charming, what did I do to offend you? Is it because I slept in your house, your bed, and Your Man Yesterday?"

Di beiming's frown deepened. What did he mean by sleeping with his man? If he wanted to sleep with her, he should be the one sleeping with her, okay?

When di beiming thought of this, he could not help but be distracted and did not speak for a long time.

When Yun Chujiu saw that di beiming did not speak, her heart could not help but beat faster. Could it be that the gigolo had found out that she was pretending to be sick? She did not give herself away, did she?

Originally, this mental illness was very serious when it flared up. Usually, it was as if nothing had happened. He should not have noticed any flaws, right?

Or was it because she pretended to ask for a hug yesterday? That shouldn't be the case!

He was afraid that he would confess if he said anything wrong, so he sat on the chair silently.

Di beiming came back to his senses and turned to look at a certain jiu who was pretending to be calm. He squeezed out a sentence from between his teeth, "Don't try to be strong if you're not feeling well!"

Yun chujiu pondered over the meaning of this sentence and finally understood. Was the pretty boy angry because she had abandoned him and went to fight alone?

Did this mean that he was feeling sorry for her?

When Yun Chujiu thought of this, a hint of sweetness rose from the bottom of her heart. She held her chin and blinked her starry eyes at di beiming, "Prince Charming, are you saying this because you are worried about my health? Are you feeling sorry for me?"
