

## The Yun Family's Ninth Child is an Imp! Chapter 3405

After a long silence, di beiming shook the hand in his sleeve and said in a cold voice, "I did this just now to tell you that even without the seven emotions and six desires, I can still be a gentleman with you.

"If you dare to provoke another man, I will destroy his entire family. If you don't believe me, you can try."

After di beiming finished speaking, he did not care about Yun Chujiu's reaction and directly turned around and entered the house.

Yun Chujiu was stunned for a while. Then, she touched her slightly red and swollen lips and cursed in her heart. What the F \* ck! Pretentious!

This fellow recalled what di Beiming said just now. His eyes were burning with high fighting spirit. Pretty Boy, let's wait and see!

At this moment, di Beiming's heart was in a mess in the room.

He calmed down and understood that Yun Chujiu's words about marrying a concubine were meant to anger him. However, he still felt a sense of frustration.

He could not describe what he felt in his heart. The moment he closed his eyes, the image of that passionate kiss appeared in his mind.

Why did he feel a sense of satisfaction and joy when he did something that should have been something that he rejected?

He remembered that Yun Chujiu had bitten his lips like a violent lion, and some parts of his body had actually..

Di Beiming gritted his teeth in frustration and took out Xue Wuji's voice transmission talisman. "If you two can't kill Emperor Mu Xuan within five days, then you don't have to live anymore! I don't raise trash!"

On the other side, when Xue Wuji received Di Beiming's voice transmission talisman, he felt as if his heart was going to explode! Wasn't this person expressionless? Why did he suddenly lose his temper?

Damn it, he must have been taught a lesson by little sister Jiu. That was why he took it out on them. How Shameless!

Di Beiming put away the voice transmission talisman. He thought that once Mu Xuan died, he would help her to calm down the situation and then he could leave.

As long as he could not see her, he would not feel guilty and would not be affected by her emotions. Then everything would return to normal.

At this moment, Xiao Heiniaoy and Meng Yanshou sneaked back to the courtyard. Xiao Heiniaoy's strong body was fine, but Meng Yanshou was in trouble.

Its body was a level one wind-blade rabbit. When it returned to Yun Chujiu, it was only left with one breath!

"Little Fairy, I have given my all for you. If you have a conscience, change my shell this time!" Meng Yanshou said as he took his last breath.

Yun Chujiu ignored him and took out a wind-blade rabbit. Even though Meng Yanshou was unwilling, he didn't dare to say anything when he thought about the bad guy in the house.

At this moment, the night was getting darker. Yun chujiu didn't greet di beiming and went back to the house next door.

Di beiming thought that Yun Chujiu would call him over, but Yun Chujiu didn't call him at midnight. She didn't cry either.

Di beiming hesitated for a moment. He used his divine sense to scan the room next door. He saw Yun chujiu sitting in a bathtub. Her head was tilted to the side and she fainted.

Di Beiming's heart tightened. He quickly ran over. His speed was so fast that he only left an afterimage.

Di beiming rushed into the room and hurriedly carried Yun chujiu out of the bathtub. "Little Jiu, little jiu, what's wrong? Are you having a heart attack again?"

Yun chujiu opened her eyes and looked at him in confusion. Then, she looked at her naked body and slapped di beiming. "Pervert!"
