

## The Yun Family's Ninth Child is an Imp! Chapter 3408

Hei Xinjiu rolled her eyes, and bad water came out of her eyes, she looked like she was about to cry. "SOB, sob. I know that I don't have any status in your heart. I'm your burden! If that's the case, why do you care about me? Just let me live and die on my own."

Di beiming was very annoyed when he saw this, but he did not know what to say. His heart was in a mess now, and he could only say with a straight face, "It's late. Go To Sleep!"

While he was half-asleep, di beiming only realized later. eh? Why was he sleeping here in a Daze?

Just as he was thinking, Yun Chujiu was nestled in his arms again, muttering, "Beauty, my little beauty"

Just as DI beiming was in a daze, the person in his arms started to move up, down, and her hands. Di beiming was both embarrassed and annoyed. Why did everything go wrong when he met this little girl?

He got off the bed in anger and stood by the side of the bed, looking at a certain Jiu who continued to move up, down, and her hands. He was speechless.

He stood by the side of the bed for a while, and his chaotic mood calmed down a lot. His face returned to its usual calm. He took out the futon and began to meditate on the ground.

The next morning, Hei Xinjiu opened her eyes and stretched. Then, she caught a glimpse of di beiming who was meditating on the ground. This fellow looked at the quilt that she had crushed into a ball and felt a little annoyed. What the F \* ck.., she had thought that the gigolo had been enlightened, but it seemed that he had to simmer it down slowly!

Yun chujiu felt that she could not force him too much. She had to take things slowly and gradually.

Therefore, after he got up, he did not continue to act like a demon. He washed up and ate his breakfast. He did not bother with Di Beiming who was meditating.

Di Beiming naturally noticed that Yun Chujiu had woken up. He thought that Yun Chujiu would pester him again and ask him to prepare breakfast. He did not expect that Hei Xinjiu did not bother with him at all.

Di Beiming felt a hint of unhappiness in his heart. He could not tell exactly why he was unhappy, so he decided not to think about it and continued to meditate on the ground.

Yun Chujiu finished her breakfast and said to Di Beiming who was meditating, "I'm going to the city wall to inspect it. I reckon that you don't have time to accompany me, so I'll go by myself. You can continue to cultivate."

Yun Chujiu did not wait for Di Beiming's reply. She walked out of the courtyard and came to the bottom of the city wall.

When the soldiers of the Dongfeng Kingdom saw Yun Chujiu, they all knelt down and bowed, "The female emperor of Zephyr city-toppling beauty is unparalleled in the world!"

Even the soldiers of the other three kingdoms also knelt down and bowed. After fighting side by side for this period of time, they admired the courage and wisdom of the female emperor of Zephyr city-toppling beauty from the bottom of their hearts, the prestige of the female Emperor of Zephyr was even higher than that of their own country's monarch.

Yun Chujiu waved her claws indifferently. "All of you, Get Up! It's been tough defending the city, but don't worry, I won't mistreat you."

Hearing Yun Chujiu's words, everyone cheered again.

Not far away, di beiming who followed closely saw this scene, and the feelings in his heart became even more complicated!

Although he had removed a part of the seal and his spiritual power had increased greatly, he still did not have his own power. In some aspects, he could not even compare to little jiu. It seemed that he had to take back what originally belonged to him.

Yun chujiu inspected the city wall and found nothing unusual. The people of the Jing Mu Kingdom were probably scared out of their wits by the gigolo.
