

The Yun Family's Ninth Child is an Imp! Chapter 3413

Emperor Nan Xuan and the other two did not pay much attention to it at the start. How could a siege not kill people? !

However, seeing that the sky had turned cold and bright, there was still no progress. Furthermore, the defending troops of Gan Shi city were getting stronger and stronger. On the other hand, the allied forces of the four countries were already tired after the days of fighting and could not take down the city, their morale plummeted.

Although the hearts of Emperor Nan Xuan and the other two were beating a little, they still forced the allied forces of the four countries to continue attacking.

Within three days, the Allied forces of the four countries had launched several attacks. More than 30,000 people were killed and injured, but there was no progress at all.

Imperial Chancellor Liu was good at buying people's hearts. He gave a speech to the soldiers of the Jingmu Kingdom. The gist of it was to say that the allied forces of the four countries were invaders and they were protecting the country. They stood at the moral high ground all of a sudden, the morale of the Jing Wood Kingdom was unprecedentedly high.

Seeing that there was no progress, Emperor Nan Xuan and the other two had no choice but to come to see Empress Jiu.

Empress Jiu glanced at them, but she didn't rub salt on their wounds. Instead, she said lightly, "Since you have lost, then listen to my arrangements from now on! Go and rest!"

Emperor Nan Xuan and the other two walked out of the meeting tent dejectedly. Emperor Nan Xuan suddenly stopped in his tracks and said, "Eh? From her tone, why do I feel that we are inferior to her?"

Emperor bei Jing glanced at him. “What do you mean by inferior? It’s already good that she didn’t take the opportunity to make fun of us. Do you want her to say something unpleasant?”? “Let’s go back and rest!”! “I haven’t slept well for the past three days. Let’s sleep first.”

Emperor Nan Xuan thought that he was right. Perhaps he was overthinking things, so the three of them returned to the tent to rest.

Seeing that Emperor Nan Xuan and the other two had left, prime minister Sima asked, “Your Majesty, do you have a way to break the city?”

Yun chujiu shook her head. “Not at the moment. Let’s Rest for a day first. I’ll go scold the enemy tomorrow.”

Prime Minister Sima did not continue to ask. His Majesty was not good at other things, but his scolding skills were top-notch. He would just have to watch the show tomorrow.

The next day, Yun Chujiu had breakfast and rode the giant rabbit to the front of the camp.

“Hey, the leader of the opposite side has come out. I have something to say to you.”Yun chujiu sat on the giant rabbit and said lightly.

Soon, Imperial Chancellor Liu, who had received the news, stood on the city wall.

He saw that it was Yun chujiu, and he looked behind her worriedly. Seeing that there was indeed no wild man from the legend, his heart instantly calmed down.

He had already sent people to inquire about it. That wild man had left a long time ago. Otherwise, he would really have a headache.

“Female Emperor Fenghua, what do you have to say? ! The allied forces of the four countries invaded our Jing Mu kingdom for no reason. You are really shameless to the extreme!” Imperial Chancellor Liu said righteously.

The soldiers of the Jing Mu Kingdom also joined in the jeering. They were nothing more than scolding the allied forces of the four countries for invading the territories of other countries. They were shameless and so on.

The allied forces of the four countries had already been somewhat demoralized after being defeated. When they heard Imperial Chancellor Liu’s words, the moral high ground was also occupied by the Jing Mu Kingdom, and their morale immediately fell even lower.

At this moment, they heard Yun Chujiu chuckle, “Yo, I’ve seen shameless people before, but this is the first time I’ve seen someone as Shameless as you! We invaded your Jing Mu Kingdom for no reason? What a joke!”!

“Not long ago, your Jing Mu Kingdom sent a letter to our East Phoenix Kingdom, asking me, the emperor of a kingdom, to be the former crown prince’s side concubine. Isn’t this a blatant provocation?”

“However, for the sake of peace and the overall situation, our East Phoenix Kingdom did not do anything disrespectful. Moreover, in order to express our sincerity, I personally went to the Jing Mu Kingdom, and the other three emperors accompanied me personally.”

Yun Chujiu paused at this point, and a mocking smile appeared on her face. “But what happened next showed me what it means to be treacherous, to rely on the strong to bully the weak, and to be Shameless!”
