

The Yun Family's Ninth Child is an Imp! Chapter 3424

Yun chujiu picked up the Teacup on the table and sipped on the tea without saying a word.

Emperor Nan Xuan could not help but feel a little confused. Wasn't this little girl here to support him? Why didn't she say anything?

Emperor Nan Xuan licked his old face and continued, "Your Majesty Fenghua, you have always been resourceful. Do you have any good ideas?"

Yun chujiu put down her teacup and glanced at him. "Your Majesty Nan Xuan, that Imperial Tutor, Ji Shen, is a member of the Li Hen Palace. What can I Do? You think too highly of me!"

Emperor Nan Xuan almost vomited blood, but he had a favor to ask, he could only smile and say, "Your Majesty Fenghua, you are extremely talented. You will definitely have a way. As long as you can help me get rid of that Ji Shen, I will agree to whatever conditions you ask."

Yun chujiu curled her lips slightly. "Your Majesty Nan Xuan, your words are too polite. We will advance and retreat together, we will share honor and disgrace together. What conditions do we need? !"

Before Emperor Nan Xuan could express his gratitude, he heard Yun chujiu continue, "You really agree to whatever terms?"

Emperor Nan Xuan:" ..."

He decided to feed his gratitude to the dogs!

Yun chujiu saw Emperor Nan Xuan's dumbfounded expression, she could not help but smile brightly. "I was just joking with you! However, no matter what we do, we will most likely offend the Lihen Palace. I

am bringing trouble upon myself. "If the Lihen Palace makes things difficult for me in the future, Emperor Nan Xuan will not stand by and do nothing, right?"

Emperor Nan Xuan was not a fool. He naturally understood the hidden meaning behind Yun Chujiu's words.

He had long figured out that if he were to play tricks, he and the other two would not be a match for this girl even if they were tied together. Since that was the case, there was no need to go against her. Moreover.., he was more or less touched that Yun chujiu could come and help him deal with Ji Shen this time.

Hence, emperor Nan Xuan said, "Your Majesty Fenghua, don't worry. In the future, our Southern Dragon Kingdom will definitely follow your lead and listen to your arrangements."

Yun chujiu curled the corners of her lips. "That's good. I believe that your Majesty Nan Xuan is not a person who goes back on his words. Tomorrow morning, bring me to the Divine Hall. I will go and meet that Ji Shen."

Only then did emperor Nan Xuan heave a sigh of relief in his heart. He hoped that this little girl would not disappoint him and would be able to think of a way to deal with Ji Shen. Otherwise, not only would he lose his daughter, he would also incur the wrath of the people sooner or later. His throne would also be in danger.

The next morning, after breakfast, Emperor Nan Xuan accompanied Yun chujiu outside the Divine Hall.

After the servants of the Divine Hall reported the situation, they welcomed Emperor Nan Xuan, Yun Chujiu, and the others inside.

Yun chujiu sized up the divine halls as she walked. The Divine Halls of the Southern Dragon Kingdom were basically the same as the divine halls of the East Phoenix Kingdom, as if they were replicas. Her

heart stirred slightly. Could it be that these divine halls were all built by the Li Hate Palace? In that case, what method did the Li hate palace use to suppress so many ancient divine beasts?

Just as Yun Chujiu was pondering, she felt an uncomfortable gaze. She followed the gaze and saw a middle-aged man dressed in the imperial preceptor's uniform sizing her up wantonly.

"Imperial Preceptor, this is His Majesty Fenghua of the Eastern Phoenix Kingdom. His Majesty Fenghua is touring the Three Kingdoms and wishes to pay his respects to the Divine Dragon. Please make it easy for him," emperor Nan Xuan said politely to Ji Shen, even with a hint of humility.

Ji Shen's gaze fell on Yun Chujiu's beautiful face, and he said with a fake smile, "Since His Majesty Fenghua is in such a good mood, it is naturally possible.

However, His Majesty Nan Xuan, you are busy with national affairs, so there is no need for you to accompany him here. Just let my imperial tutor accompany His Majesty Fenghua to pay his respects."
