

The Yun Family's Ninth Child is an Imp! Chapter 3429

Yun chujiu secretly put away the shadow stone. Then, she hugged her shoulders and calmly looked at the Golden Dragon on the altar.

After enjoying the cheers of the crowd, the Golden Dragon finally realized that the little girl with the Thunder Spirit Root had never climbed up the altar again.

It looked at Yun Chujiu, who was hugging her shoulders and looking at it, and said, "Little girl, come over!"

Yun chujiu spread out her hands. "Lord Dragon God, the evil has been eliminated. You can go back and rest. I Won't Disturb You Anymore!"

Golden Dragon:" ..."

After coming over for a long time, the Golden Dragon finally came back to its senses. Was it deceived? !

Damn it, not only was it deceived, but that stinky girl also used it to kill Ji Shen. She was using it to kill someone else! No, using the dragon to kill someone else!

The Golden Dragon was so angry. If it was a real body, it would probably be so angry that it would vomit blood!

But, what could it do? Could it be that it was blatantly saying that it wanted to possess someone else?

It suppressed its anger and pretended to be kind as it said, "Little girl, this divine dragon likes you very much and wants to make you the Divine Dragon's emissary. come up to the altar and this divine dragon will immediately announce this news."

Emperor Nan Xuan and prime minister Sima did not understand. They looked at Yun chujie excitedly, especially prime minister Sima. He looked at their emperor with a urging gaze, wishing that their emperor would grow wings and fly to the altar immediately.

Unexpectedly, their Emperor Fenghua smiled faintly and said, "I'm sorry, I'm already the Divine Phoenix Emissary. I don't want to be the Dragon God's emissary anymore. Lord Dragon God, please go back!"

"Moreover, although Ji Shen is dead, some people still know some things. You have such a wise and mighty image, so you should still cherish it!"

The Golden Dragon was so angry that it trembled. This wretched girl was really too hateful! She was threatening it!

But, what could it do? ! It had absorbed countless young girls' souls before it could solidify its remnant soul a little. It simply could not maintain its illusory image for too long!

Emperor Nan Xuan was dumbfounded. Why was he listening to the conversation between the Dragon God and the little girl? There seemed to be some hidden meaning in their conversation.

Just as Emperor Nan Xuan was pondering, the Golden Dragon said to him, "Let that little girl ascend the altar. Otherwise, this dragon God will not protect your southern Dragon Kingdom."

Emperor Nan Xuan was dumbfounded!

If the Divine Beast didn't protect their Southern Dragon Kingdom, wouldn't that force him, the emperor, to step down? What should he do now?

Yun Chujiu's eyes deepened. She pointed at the golden dragon and scolded, "Don't be so shameless. Do you really want me to tell you about your trivial matter? ! How Great Do You Think You Are? !

The Southern Dragon Kingdom doesn't have many of you, and it doesn't have many of you. So what if you don't protect it? ? "We Still Have Jing Mu'an, the Divine Phoenix, the White Tiger, and the Black Tortoise. We still need you!"? ! !

"If you don't want your reputation to spread far and wide, you'd better get lost now. Otherwise, I'll destroy your reputation!"! "Besides, you've been out for a long time. The heavenly lightning might come soon. After all, you'll be struck by lightning if you do something bad!"

Boom!

Following Yun Chujiu's words, a bolt of heavenly lightning struck the Golden Dragon's shadow.

The Golden Dragon was struck so hard that it trembled. It didn't have the time to argue with Yun Chujiu anymore. It disappeared from the altar dejectedly.

Emperor Nan Xuan and the others were scared silly!

Damn!

Wasn't this female emperor of Fenghua a little too intrepid? !

She even dared to scold the Divine Dragon? Most importantly, the dragon God actually disappeared without a trace? What kind of monster was this!
