

The Yun Family's Ninth Child is an Imp! Chapter 3433

Yun chujiu looked at the plants that she couldn't recognize and felt that her previous guess was right. There must be a barrier here, isolated from the world. Otherwise, no one would pick these high-level spirit herbs.

In the distance, there were still lingering clouds and mist. She could vaguely see a towering mountain peak, but the shape of the mountain peak was a little strange. It looked like... a candle.

Yun chujiu did not have the time to gossip about the shape of the mountain peak. She was anxious to find a place where she could temporarily hide from the heavenly lightning. Even a cave would be good.

While Hei Xinjiu was thinking, she finally saw a deep cave entrance in the distance.

“Haha! Hard work pays off. This cave looks very solid. I should be able to hide for a while!”

Wu Yun rolled and crawled into the cave. Although the heavenly lightning struck by Wu Yun was a little crooked, its power was greatly reduced. It did not pose much of a hindrance to Hei Xinjiu.

Wu Yun was shivering in anger. He started hacking at the mountain without caring about anything else. F * ck! He would crush this scourge to death in the cave if he had to!

Unfortunately, the mountain was abnormally strong. Wu Yun had been hacking at it for a long time, but he only managed to chop off some broken stones.

Wu Yun had no choice but to give up for the time being. He did not believe that the wretched girl would hide in the cave and not come out.

In the cave, Hei Xinjiu was meditating and adjusting her breath when a huge suction force suddenly came over. This fellow was bitterly sucked into the depths of the cave.

Because the change happened in an instant, Hei Xinjiu did not have time to react. By the time she reacted, she was already locked in a cage.

“TSK TSK, it’s actually a little girl with a Heavenly Thunder Spirit Root. It’s really my good fortune!” A man’s shadow said with a strange laugh.

Yun Chujiu’s heart felt like it was bickering with a dog!

Damn it, she had just left the wolf’s Den and entered the tiger’s den. She was really unlucky!

Yun chujiu looked at the man in front of her and her heart skipped a beat. The mountain peak she saw before was like a candle, and the person in front of her was obviously a demon. Could it be the Ying Mo that succubus mentioned?

Back then, she had tricked the succubus into revealing the hiding places of a few demons, and one of them was Ying Mo. he said that Ying Mo was hiding in the Zhu Tian Valley, so this should be the Zhu Tian Valley.

Yun chujiu blinked her eyes, “You are senior Ying Mo?”

Ying Mo was stunned, “How did you know my name?”

Yun chujiu squeezed out two crocodile tears, “Senior Ying Mo! I finally found you! I am the disciple of senior succubus! I am here to find you!”

Ying Mo was dumbfounded. “Succubus’s disciple?”

“Yes, my master was trapped in the Sea of flames on the immortal essence continent. He couldn’t get out. He told me where my seniors were trapped and asked me to save all of you so that we could conspire together,”yun chujiu said sincerely.

This guy found out that this cage was made of ten-thousand-year-old black iron to isolate spiritual power. Moreover, she was afraid that the kitchen knife would be struck by lightning. Previously, she kept it in her storage ring. Now, she could only rely on her mouth to bluff. As long as she got out of the cage, it would be easy.

Ying Mo stared at Yun Chujiu for a few times. “Conspiracy? What kind of conspiracy?”

“Of course, it’s to gather all of our forces to either conquer a continent or return to our homeland,”Yun Chujiu said with a yearning look.

When Ying Mo heard Yun Chujiu’s words, he became a little more convinced. After all, the demons had their own sphere of influence. Stupid humans did not know that.

“Although what you said makes sense, why would succubus take you as her disciple?”

Yun Chujiu’s face showed some pride. “Because I’m good-looking, I’m devastatingly good-looking!”
