

The Yun Family's Ninth Child is an Imp! Chapter 3435

Ying Mo took a few steps forward and asked curiously, "What secret?"

Yun chujju smiled sweetly at him and raised the kitchen knife in her hand to chop at him. "The secret to let you die!"

Ying Mo was really shocked, but he did not take it to heart. What could a stinky girl with such weak spiritual power do to him. ! It was simply courting death.

Therefore, Ying Mo was very careless. He didn't Dodge Yun Chujiu's big kitchen knife at all. Instead, he stretched out his hand to grab Yun Chujiu.

"Ah!" Ying Mo was hit by the Big Kitchen Knife and let out a shrill scream.

Ying Mo looked at the big kitchen knife in Yun Chujiu's hand in disbelief. "Divine weapon? Impossible! How could this be a divine weapon? !"

Yun chujju did not care whether he believed it or not. She struck a few more bolts of lightning that contained small flames at him.

Ying Mo's attention was on Yun Chujiu's large kitchen knife, so he did not pay too much attention to Yun Chujiu's lightning until he was hit by the small flames hidden within, he let out a shrill scream again. "Ten-thousand-year-old fire marrow? How could you have ten-thousand-year-old fire marrow?"

Ying Mo was so regretful that his intestines were turning green!

If he had known this would happen, he would not have let this stinky girl out!

However, wait, he still had a trump card!

“Stinky girl, if you kill me, you can forget about getting the antidote. I will definitely destroy the antidote before I die.”Ying Mo said viciously.

Yun Chujiu’s smile became even sweeter!

“Idiot, I have always eaten poison like candy. You Want to poison me with that lousy poison? Dream On!”

Ying Mo was furious!

It turned out that all of this was planned by this stupid girl. Humans were indeed treacherous!

Although Yun Chujiu’s spiritual power was weak, whether it was the large kitchen knife or the small flame, they were all the nemesis of the demon race. Therefore, Ying Mo did not dare to get close to Yun Chujiu. Instead, he was forced to retreat by Yun Chujiu.

Ying Mo changed his tone and said, “Little girl, we have nothing to worry about in the distant days and have no enmity with each other in the near future. Why do you have to force me? ! Leave this cave immediately and I will pretend that nothing happened.”

Yun chujiu curled her lips. “Cut the F * cking nonsense! I still want to occupy your cave and use it to avoid the heavenly thunder! How can I not kill you? !”

Ying Mo:” ...”

This stupid girl was ten thousand times more shameless than the demons! Damn it!

Due to the large difference in spiritual power, Yun Chujiu was busy for a long time and could not attack Ying Mo again. This guy could only release da Hua.

“Ten-thousand-year-old single pig, Attack! Kill him!”

When da hua heard the words “Ten-thousand-year-old single pig”, it was as if he was injected with chicken blood and instantly turned black!

Ying Mo was dumbfounded. What the hell was this? ? ! There was such a spiritual beast?

Da Hua ferociously bit at Ying Mo. its heart was filled with anger and all of its anger was directed at Ying Mo..

Ying Mo naturally would not sit still and wait for death. It fought with Da Hua.

Yun Chujiu knew that Da Hua was not Ying Mo’s opponent. She magnified da Hua in order to distract Ying Mo’s attention so that she could succeed in her sneak attack.

Hei Xinjiu sneaked behind Ying Mo with a large kitchen knife and slashed at him.

Ying Mo screamed in pain and his figure became much fainter. Then, he disappeared.

Yun Chujiu was stunned. Where did he go? Did he die from her slash? It shouldn’t be!

Yun chujiu searched the cave but did not find anything strange. Ying Mo seemed to have disappeared into thin air.
