

The Yun Family's Ninth Child is an Imp! Chapter 3437

Hei Xinjiu kept climbing up. The mountain peak was like a candle. The higher she went, the thinner and steeper it became.

If Hei Xinjiu didn't have the help of the sticky silk, she wouldn't have been able to continue climbing.

She had spent a lot of effort and finally reached the peak.

She found a place to rest, but didn't continue climbing. Wu Yun's strikes were not always accurate. She should be able to attract Wu Yun to flatten the peak.

"Hey, that little Cai Yun in the sky, do you know why Little Sister is climbing up?" Yun chujiu shouted at Wu Yun in the sky.

Little Cai Yun? Little Sister?

Wu Yun was so angry that it was trembling. How would it know why she climbed up? It was most likely because her brain was not working properly!

Yun chujiu continued with a smile, "The reason why I climbed up is to be closer to you. I want to lower the difficulty for an idiot like you. Little Sister, you are very kind, right? You Don't have to thank me too much!"

Wu Yun was so angry that she was about to faint! She couldn't take it anymore. This stupid girl was really too angry!

Rumble! Rumble! Rumble!

Wu Yun didn't care about anything else and continued to strike fiercely. Although most of the lightning struck Yun Chujiu's body, there were still quite a number of lightning strikes that struck the peak.

When Yun Chujiu saw this, her heart was filled with joy. Aiyo, it was rare to see someone as smart as her in this world. How could she be so smart? !

The few animals in the spiritual beast bag were speechless. At this time, this black-hearted master was still narcissistic! This degree of narcissism was really unparalleled!

When Yun chujiu could not resist it, she released da Hua to help her resist it. After repeating this, the peak of the mountain was finally flattened.

Yun chujiu took out the chopping board and tried it. Sure enough, it could fly. This guy sat on the chopping board and landed on the ground.

The chopping board was not as abnormal as Yun Chujiu. If Yun Chujiu did not protect it with her body, its weapon spirit, the Little Silver Dragon, would have been struck to death by the Heavenly Thunder long ago.

Therefore, once Yun Chujiu landed on the ground, she put away the chopping board. Then, she said to Wu Yun in the sky with a smile, "Little Fool, thank you for helping me to remove the enchantment here. You are really a Good Yun who helps others!

If it weren't for you, I would really be worried to death! I don't have your stupid strength. I could even flatten the top of the mountain! Thank you!"

Wu Yun finally understood why Yun Chujiu wanted to climb to the top of the mountain. It turned out that she used it to flatten the mountain peak and open the enchantment!

Wu Yun was so angry that she was trembling. This stupid girl was too damn cunning! She was simply not human!

The More Wu Yun thought about it, the angrier she got. She hacked even harder, wishing that she could chop hei xinjiu into pieces.

When Hei Xinjiu could not take it anymore, she slithered into the cave and said slyly, "Little Fool, I'll play with you after dinner!"

Wu Yun:"..."

Wu Wu, she bullied Yun too much! Wu Wu, she could not live anymore!

Yun chujiu rested enough and came out to tease the dark clouds in the sky again. When she couldn't take it anymore, she hid in the cave to avoid the storm. She did it again and again until the next morning.

Wu Yun had used up all of his thunder spiritual power, so he could only float away shivering. Hei xinjiu even waved her claws and shouted, "Little Fool, next time when you come, bring more thunder energy! My Da Hua is not full yet!"

Wu Yun was so angry that he had nothing left to live for. He was crying as he floated. Wherever he went, heavy rain would fall. Those were his bitter tears!

Yun Chujiu curled her lips and released the five puppets to help her pick red herbs crazily.
