

## The Yun Family's Ninth Child is an Imp! Chapter 3445

The spectators were discussing among themselves. "Look at his looks. He actually had the heart to throw away his own daughter. What a SCUM!"

"That's right. That little girl is as pretty as jade. If she was my daughter, I would definitely cherish her like a treasure. To have met such a scum of the father, that little girl must have suffered a lot!"

"That little girl just tugged at his clothes and he even made her let go. What kind of person is this! He's simply too cold and heartless!"

..

When little nine heard everyone's discussion, she was laughing in her heart.

Alright, she was only so good-for-nothing. It was also good to tease this gigolo to vent her anger.

The Fat Old Man also looked at di beiming with disapproval. This person seemed to be quite rich, but with this attitude towards the little girl, he probably wouldn't give him much money. He was really unlucky.

A certain venerable's face was calm. He lowered his head to look at the pitiful little nine and said coldly, "Let's Go!"

After saying that, a certain venerable took the lead to leave the inn. Little Nine chased after him with her short legs and shouted, "Daddy Hug! Daddy Hug!"

A certain venerable acted as if he didn't hear her and didn't even turn his head.

The onlookers couldn't stand it anymore and started to criticize, "How can you be a father? Your Daughter is so young, yet you don't even hug her. Could she be a stepfather?"

"Your daughter is so cute, yet you treat her this way. If you don't want to give her to me, I just happen to want such an ice-cold and cute daughter."

..

A certain someone remained indifferent and continued to walk forward. He just needed to send this troublemaker back to East Phoenix Country safely. He wasn't interested in anything else.

At this moment, he heard a loud sound behind him, followed by the little girl's heart-wrenching cries, "Wuwu, Daddy is a bad person. Daddy won't Hug Me, Daddy Doesn't love me anymore."

This time, the surrounding spectators were filled with righteous indignation! If it wasn't for a certain someone's aura being too strong, these people would have already gone up to beat him up.

A certain someone frowned and finally turned around. He saw the little person sitting on the ground with tears streaming down her face. She was crying pitifully.

A certain someone hesitated for a moment. He looked at little nine and said coldly, "Come here!"

Little nine blinked her eyes and ran to a certain person's side with her short legs. Then, she stretched out her two small arms and said softly, "Daddy, Hug!"

The certain person's pupils shrank. Looking at the dust on Little Nine's body, he said coldly, "Cleaning spell."

Little nine pursed her lips, but still used the cleaning spell. She said pitifully, "Daddy, can I Hug You Now?"

A certain man expressionlessly stretched out his long arm and carried little nine up. When he turned around and was about to leave, the Fat Old Man finally mustered up his courage and said, "Young master, this old man has taken in your daughter for a few days, and the expenses are not small either. What do you think?"

The Fat Old Man did not want to be so explicit in asking for money, but he finally understood that this man had no intention of giving him any money. That little girl had even forgotten about him, her savior, once she had a father, he could only shamelessly ask for the reward himself.

A certain elder didn't even look at the fat old man as he walked forward. Little nine was lying on a certain elder's shoulder, she waved her chubby little claws at the Fat Old Man. "Grandfather, didn't big sister give you 250,000 high-grade spirit stones? We're even!"

The fat old man looked at Little Nine's fox-like eyes and was so angry that he gritted his teeth. Could it be that this little girl wasn't abducted by that Smelly Girl?
