

The Yun Family's Ninth Child is an Imp! Chapter 346

When the group of people exited the back mountain, they immediately attracted the attention of many disciples of Spirit Radiance Sect.

Especially so because of Di Beiming's outstanding appearance and imposing manner, which made some female disciples dizzy with infatuation.

'Oh my God, who is this man?'

Originally, they thought that Senior Brother Feng Ming was already charming enough, but compared to this man, he was simply not by a bit! Although Senior Brother Feng Ming was also very outstanding, this man's temperament was really too mesmerizing! His handsome facial features, sharp eyes, and that noble and natural temperament were too mesmerizing!

Some female disciples discovered a big problem!

Such an outstanding man was actually holding Yun Chujiu's hand!

Did this handsome man not have good eyesight?

Although Yun Chujiu was already much fairer than when she first entered the sect, but her figure was still shriveled, without a single curve!! How could it compare to their enchanting figures?!

Perhaps, this handsome man was Yun Chujiu's brother or uncle?

Yes, it must be so!

Anyone with eyes would not like such a shriveled little girl! Moreover, she was only a good-for-nothing at the fourth level of the Spirit Enhancement realm!

These female disciples reluctantly watched the handsome man leave. One by one, they started rushing home to dress up. Then, they blocked the outside of the meeting hall, waiting for the handsome man to come out so that they could curry favor of the handsome man.

Master Xuanyuan and the others entered the meeting hall. After they took their seats, Yun Chujiu ran behind Di Beiming, looking like a well-behaved little girl.

Everyone's eyes twitched. 'Little Jiu, can you be a good girl? If you aren't taking advantage of others, then you're acting cute in front of everyone. It's really embarrassing!'

The reason why Yun Chujiu did this was because she regretted saying his name so quickly. 'Pretty Boy, don't settle scores yet okay? Please perform well!'

"Master Di, may I know where you're from?" Master Xuanyuan asked with a smile.

"His home is on the sea! Otherwise, why would he be called Di Beiming?" Yun Chujiu was afraid that Di Beiming would not lie, so she said with a smile.

"On the sea? Could it be the legendary Penglai Immortal Island?" Master Xuanyuan asked in surprise. It was said that there was a Penglai Immortal Island on the sea, and the spiritual power of the people on it was very high, close to that of immortals. Could it be that Master Di was from there?

"Ahh, he's not from Penglai Immortal Island. He's from Kunpeng Immortal Island!" Yun Chujiu spoke nonsense. Di Beiming's eyes flashed, and he just let her talk nonsense. He was not good at lying, so he just let her deal with it!

“Kunpeng Immortal Island?” Master Xuanyuan exchanged a look with everyone. He had never heard of it before, but judging from the strength of the young man, Kunpeng Immortal Island must be the location of a reclusive expert!

“Master Xuanyuan, my Prince Charming isn’t good with words, so I’ll speak on his behalf! He came out to travel. Last time, he happened to save me, and then he fell in love with me at first sight. Just now, when he saw the dark clouds in the sky, he came to save me again! Hehe, I’m really a little embarrassed!”

The crowd was at a loss of words.

They had seen people with thick skin, but someone as thick-skinned as Yun Chujiu was simply unheard of!

‘Your Prince Charming?’

‘Do you know what it means to be reserved like a girl?’

‘And he fell in love with her at first sight?! What kind of person would fall in love with you at first sight with the way you were last time?!’

However, everyone saw that Young Master Di was only listening with a smile on his face and did not even refute her. It seemed that although Yun Chujiu’s words were a little exaggerated, this Young Master Di really took a fancy to Little Jiu?

Could it be that he saw through Yun Chujiu’s heavenly Thunder Root Spirit? Was that why he looked at Yun Chujiu in a different light?
