

The Yun Family's Ninth Child is an Imp! Chapter 3483

A certain someone, who had been watching indifferently at the door, had a cold glint in his eyes. This person deserved to die!

A certain someone did not make a move, because he knew that the little rascal would not bring people to rob for no reason. He definitely had a motive. Moreover, with Xuan Yuanzhuo's skills, it was impossible for him to hurt the little rascal.

Just as a certain honored warrior was thinking, he heard two screams. Then, everyone in the room stared blankly at one spot.

They saw that Xuan Yuanzhuo and his lackey had a sword stuck in their chests, and the hilts of the two swords were still held in each other's hands..

The two of them still maintained their standing posture. Their eyes were filled with fear and anger as they fell to the ground in front of everyone's eyes.

"Oh my God! Someone died! I was scared to death!" Hei xinjiu, who was stunned at the side, fell to the ground with a "Faint".

The rest of the children finally regained their senses and cried out in fear. If it was just a fight, no one would care about it. However, this person had died, and one of the dead was a prince of the Jun Tian Kingdom. This matter was going to blow up!

When the guards heard the commotion, they rushed over. When they saw the two children stabbing each other with their swords, they were stunned. Did they die together?

The leader of the guards began to interrogate them about what happened. Everyone told him everything.

As for how Xuan Yuanzhuo and his lackey stabbed each other with their swords, they did not know. Because it was already chaotic and the dormitory was small, no one noticed what happened.

However, a child in Xuan Yuanzhuo's dormitory said, "At that time, Liu Hong was fighting with Xiao Bao. Maybe she knew what was going on."

The leader immediately looked at Hei xinjiu, who had just 'woken up', hei xinjiu said in shock, "I was fighting with him at that time. Then, he stabbed at me. I dodged to the side, and then, I saw the two of them in such a state."

The leader frowned. Could it be that Xuan Yuanzhuo was trying to sneak an attack on Xiao Bao from behind? He didn't expect Xiao Bao to dodge to the side, and he couldn't retract his attack in time, so he stabbed Liu Hong. Liu Hong couldn't retract his attack in time and stabbed him?

He was not the only one who thought so. Almost everyone present thought so. Xuan Yuanzhuo had wanted to sneak an attack on Xiao Bao, but in the end, he and Liu Hong's lives were at stake. It was really a case of robbing the goose that laid the golden eggs.

The little leader took out a voice transmission talisman and reported the news to instructor Deng. Very soon, instructor Deng rushed over.

He inquired about the incident and then checked the two's wounds. He didn't find anything unusual, so he had people take the two bodies away and then let everyone return to their dormitories.

The little fatty lay on the bed and suddenly sat up. His forehead was full of cold sweat.

He suddenly remembered what the little pervert had said earlier. If he wanted to get rid of him once and for all, he had to kill Xuan Yuanzhuo. The reason why the two of them stabbed each other was not, could it be that the little pervert had set them up on purpose?

When he thought about how Hei Xinjiu had led them to rob for no reason and had taken out a whip to provoke them, the more he thought about it, the more he felt that everything had been planned by her. How could a five-year-old girl have such meticulous thoughts?

The little fatty was frightened but also a little impressed. He decided to follow that little pervert in the future. Anyway, he would not suffer any losses if he followed her!

Moreover, da Bao had not made a move all this while. He always felt that da Bao was more powerful than Xiao Bao, so it was definitely not bad for him to be the Little Pervert's sidekick.
