

## The Yun Family's Ninth Child is an Imp! Chapter 352

After the dark cloud struck randomly, it floated away with white smoke!

The disciples of Spirit Radiance Sect pointed at the dark cloud in the sky and said, "Ah, this is interesting. Why is that lump of dark cloud giving off white smoke?"

"I thought it was going to rain, but that didn't happen, right?"

"Why is there so much thunder behind Middle Peak today? On top of that, they're all purple heavenly thunder?"

"Who knows? It's not just today. Do you remember the last time? It was even more powerful than this time! The thunderstorm lasted for a full sixteen hours. It was so scary!"

"Is there treasure at the back of the mountain?"

"Forget it. If there was, how could the sect leader not dig it out?"

"Then why is there always purple lightning? It's really strange!"

"Who knows? Maybe God doesn't like that hill!"

...

Yun Chujiu waited for the dark clouds to drift away before shouting at Di Beiming, "Prince Charming, I want to change my clothes. You stand guard and don't let those old hooligans come over!"

Di Beiming's mouth twitched and he nodded lightly.

Yun Chujiu took off her tattered clothes and changed into a new set of sect uniform. Then, she flew up on the chopping board.

Di Beiming saw Yun Chujiu's appearance and could not help but smile. The hair that had grown out with great difficulty was hacked off again. Her face was also covered in ashes.

Yun Chujiu touched her head and said self-deprecatingly, "This hair of mine is really in line with a poem! The wild fire can not be burnt out, but the spring breeze can make it grow again!"

Di Beiming raised his eyebrows. "Didn't I give you a hair growth pill? Why aren't you using it?"

"I was afraid of being exposed in the past, but I'm not anymore. Now, we can be considered to have gone from sneaking around to being above board. Hehe! Prince Charming, can you give me another set of clothes? My sect uniform can not withstand being hacked. Fortunately, I have you to keep watch. Otherwise, everyone would've seen me! It's best if you give me a lightning-proof hat!" Yun Chujiu clung to Di Beiming's arm.

Di Beiming frowned. 'Black Thing is right. If I'm not around when she breaks through next time, won't she be seen by others?! I have to find a good defensive robe for her! It would be best if it's an immortal item!'

Yun Chujiu saw that Di Beiming was silent and thought that he did not agree, so she began to act shamelessly. "Prince Charming, are you reluctant to it to me? Hmph! If you don't give it to me, I'll strip you of this robe!"

As Yun Chujiu spoke, she began to strip Di Beiming of his clothes. He was still thinking where he could get Yun Chujiu an immortal item robe, so he did not stop her immediately.

“Cough! Cough! Little Jiu! Stop!” When Master Xuanyuan and the others rushed over, they saw Yun Chujiu desperately stripping Young Master Di’s clothes. It was simply unsightly!

Master Xuanyuan’s old face turned red. ‘This Yun Chujiu is too unrestrained! Could it be that Master Di likes this behaviour?’

Only then did Di Beiming realize that his clothes had been torn into a mess by Yun Chujiu. He hurriedly tidied his clothes and glared at Yun Chujiu. Then, he nodded at Master Xuanyuan as a form of greeting.

Yun Chujiu was not the slightest bit embarrassed that she had been caught. She smiled and said, “Master Xuanyuan, my idol said that he would give me a robe. I usually don’t ask others for things that I can do myself, so I wanted to just take it.”

Master Xuanyuan felt that he had nowhere to put his face. It was too embarrassing! ‘You can do it yourself without asking others for help?! Why do I get a feeling that you were molesting a good man?!’
