

The Yun Family's Ninth Child is an Imp! Chapter 354

Yun Chujiu was not aware of the resentment of the group of old people behind her as she dragged Di Beiming back to the dormitory.

Yun Chujiu took out a large bathtub from her storage ring and tested the temperature of the water with her hands. She said with satisfaction, "It's so convenient to have a storage ring. Everything can be stored in it."

Di Beiming raised his eyebrows. "You have bath water in your storage ring?"

"Yes. Not only do I have hot bath water, I also have blankets, pillows, towels, pots and pans, seasonings, and everything you could ever think of. Even if I were to be thrown into a place where there's nothing, it would be enough for me to live for two to three years!" Yun Chujiu's favorite activity was to 'gather the wool' so the storage ring was filled with all sorts of things.

Di Beiming's eyes twitched slightly. "Then you can take your time to wash up. I'll go out and warn you if needed."

"Don't we have An Feng and An Yin? Why don't you wash up with me?" Yun Chujiu blinked her starry eyes as she looked at Di Beiming. She felt that teasing the gigolo was a lot of fun!

Di Beiming's ears turned red as expected. He shouted angrily, "Black Thing, I won't forgive you if you continue to spout nonsense!"

After saying that, Di Beiming quickly walked out. No matter how one looked at it, he looked like he was running away in a panic.

Yun Chujiu let out a laugh that sounded like the rings of silver bells. She took off her clothes and started bathing happily! 'Ahh, the gigolo is really innocent. Teasing the gigolo is the most enjoyable activity in life!'

Di Beiming walked out of the house and took a deep breath before he suppressed the restlessness in his heart! 'This Black Thing is really... Sigh, when will she grow up?!'

Di Beiming inexplicably thought of Yun Chujiu's words, "When the time comes, I will suffocate you with my chest!" The feeling of his face blushing and his heart beating surfaced once again.

When Yun Chujiu jumped out of the shower, she saw Di Beiming standing at the door with a flushed face.

"Hey! Prince Charming, what are you daydreaming about?" Yun Chujiu stretched out her palm and waved it in front of Di Beiming's eyes.

Di Beiming was shocked and said in a panic, "Nothing! You can wash..."

Di Beiming looked at the little person in front of him and was stunned!

Although the little person in front of him did not have any hair, her skin was as white as jade, so tender that it seemed like water could be squeezed out. Her eyelashes were long and thick, and her eyes were bright and lively. Her pink lips were slightly pouting as she looked at him in confusion.

Di Beiming felt his heart beat violently, and his throat seemed to have closed up. His mind was blank and he could not say anything.

Yun Chujiu saw that Di Beiming looked like a fool, and she could not help but giggle. "Prince Charming, what's wrong with you? Let's go and continue having lunch. Ah, it should be considered dinner already. After all that, I'm even hungrier."

Di Beiming was dragged to the side of the stone table by Yun Chujiu and finally regained his senses. A strong sense of danger filled his heart. 'The black thing is becoming more and more beautiful. It's too dangerous! If I'm not by her side, she would definitely attract the covetous eyes of many men. It seems that what I did previously was right. I must let others know that the black thing is mine!'

After dinner, Yun Chujiu leaned back on the recliner and crossed her legs. She took out the hair growth pill and mirror from her storage ring. Then, she jumped down from the chair.

"DAMN! How did I become so good-looking? Hahaha, as expected, a mask covers a hundred ugliness!"

"This little face, these big eyes, this perky little nose bridge, and these pink little lips... Ah, I'm going to be charmed to death by myself!"

"I accidentally became Qingxuan continent's number one beauty. I'm really sorry!"
