

## The Yun Family's Ninth Child is an Imp! Chapter 359

Yun Chujiu was very puzzled. Why was Master Xuanyuan looking for her? Could it be that he wanted to reward her?

Yun Chujiu immediately rode on the chopping board and went to the drawing room.

Yun Chujiu had just entered the drawing room when she felt several malicious gazes looking at her! She glanced at them and realized that they were all old acquaintances.

Sitting on the guest seat was the sect master of Heavenly Gates Sect, Du Guyi. Next to him sat a few elders from their sect. One of the elders with a hooked nose glared at Yun Chujiu with bloodshot eyes. He looked as if he wanted to eat her up!

Behind these elders stood a few disciples from Heavenly Gates Sect. Su Yanran was also among them—she had a cold smile on her face.

Yun Chujiu first bowed to Master Xuanyuan before greeting the people of the Heavenly Gates Sect with a smile. "Sect leader Du! Hello, old friends of the Heavenly Gates Sect! I'm so happy to see you all! I've almost had enough showing off the two million Spirit Stones from before. Are you here to give me Spirit Stones again?"

The people of the Heavenly Gates Sect were so angry that their noses were almost crooked. This Yun Chujiu really brought up the wrong topic. She was really detestable!

"Yun Chujiu, pay for my grandson's life! I'm going to kill you!" Elder Zhang slammed the table and was actually about to make a move.

Master Xuanyuan snorted in displeasure. "Master Du, your Heavenly Gates Sect is really looking down on Spirit radiance Sect! If you're going to do this, please leave our sect. Our sect doesn't welcome you!"

Du Guyi stopped Elder Zhang. "Elder Zhang, the right and wrong will be determined. Don't act rashly. Master Xuanyuan, I sent Zhang Xiong and the other three to be killed by Yun Chujiu and the others. We're here to seek justice."

Master Xuanyuan sneered. "Yun Chujiu, is what Master Du said the truth?"

Yun Chujiu was stunned at first, then she stretched her neck and began to howl. "Oh my god, I've been wronged. It's a great injustice!"

The corner of Master Xuanyuan's eyes twitched. He pretended to be surprised and said, "Don't worry, I won't wrong you. Just tell me the truth."

Yun Chujiu wiped her tears with her sleeve and then said with grief and indignation, "For the sake of the peace between the two sects, I didn't intend to say such a dirty thing, but since the Heavenly Gates Sect came to find me, I can only tell you the truth!

"After I was transported to the ancient dimension, I first arrived at a desert. With great difficulty, I finally left the desert and arrived at a valley. Suddenly, I saw my fifth sister, seventh sister, and Senior Sister Su being escorted forward by five male disciples of the Heavenly Gates Sect.

"As they walked, they even said some unsightly words. They said that the girls of Spirit Radiance Sect are just like water spirits. It's a waste not to play with them. They said that the people of Spirit Radiance Sect are all good-for-nothings. They actually didn't dare to say anything when they saw us taking away these three girls."

When Spirit Radiance Sect's elders heard those words, they were instantly enraged. The Heavenly Gates Sect was really going too far! Such scum deserved to die! Even if it was really Yun Chujiu who killed them, they would still try their best to hold on until the end!

Yun Chujiu stole a glance at everyone's reactions and then continued, "Although I, Yun Chujiu, am small and weak, I can't just stand by and watch them die. I followed them from afar.

"Later, the five people from Heavenly Gates Sect discovered an earth-rank, high-grade bright lotus plant. They pounced on it like wolves and threw my third sister and the others to the side to fight for the bright lotus plant. I took this opportunity to save them.

"It was really karma as they did not expect that the bright lotus plant would be guarded by a group of silver-horned five-ringed snakes! When we left, they were already surrounded by the group of five-ringed, silver-horned snakes. As for whether they were dead or not, I don't know."

"Nonsense! If they encountered the five-ringed, silver-horned snakes, why didn't they crush the jade token when they knew they were no match for them? You must've used a trick to kill my grandson!" Elder Zhang shouted ferociously.

Yun Chujiu shrugged her shoulders and spread her hands. "If they didn't crush the jade token, then it's because they're mentally ill. What does it have to do with me? You're not here to act like a scoundrel just because you lost a bet to our sect, right? How shameless!"
