

The Yun Family's Ninth Child is an Imp! Chapter 379

"Elder Xiao, is the nest of the Fire Spirit Beast ahead?" Yun Chujiu was in a good mood after making a small fortune.

Elder Xiao nodded. "We'll reach the Sea of Fire in about an hour. The Fire Spirit Beast should be hiding near the Sea of fire. However, when I came here with my master in the past, there were no Fire Dragons here. I don't know if anything has changed!"

"Then let's continue moving forward. By the way, I'm very curious about the Fire Spirit Beast! Its poop is so valuable. It's really great!" Yun Chujiu hopped forward.

Everyone thought about Yun Chujiu's words. Why did they feel that there was something wrong with her words? She was not thinking about the Fire Spirit Beast, was she? Everyone shook their heads. They were probably thinking too much. They might not even be able to see the shadow of the Fire Spirit Beast, let alone catch it. Even if she had any wicked ideas, she would not be able to use them.

The further they walked, the hotter it got. Everyone activated their spirit shields. Yun Chujiu was the only one who did not care at all!

An hour later, everyone was stunned by the scene in front of them!

About a hundred meters ahead was the raging Sea of Fire. Everyone was shocked by the majestic scene of the Sea of Fire. At that moment, Yun Chujiu thought, 'Oh my God! Such an expansive Sea of Fire. How many Fire Spirit Beasts would there be?!

After everyone recovered from their shock, they asked Elder Xiao, "Elder Xiao, is this Fire Spirit Beast hiding in this Sea of Fire?"

Elder Xiao shook his head, "I don't know either. The last time we came, we waited here for a month. There was no sign of the Fire Spirit Beast. We only heard a few beasts' roars occasionally. It was said to be the cry of the Fire Spirit Beast."

"What exactly does it look like?" Yun Chujiu asked curiously.

Elder Xiao said with slight embarrassment, "Even the people of the Heavenly Gates Sect have never seen the true appearance of the Fire Spirit Beast. The Heavenly Gates Sect originally had a portrait of the Fire Spirit Beast that was passed down, but it was destroyed later on. So now, no one knows the true appearance of the Fire Spirit Beast. They only know the cry of the Fire Spirit Beast!"

Yun Chujiu could not help but twitch her lips. They were too unreliable. They were there to capture the Fire Spirit Beast without even knowing what it looked like. If the Fire Spirit Beast could speak a foreign language and appeared right under their noses, they would not even know!

Everyone was a little discouraged. The Fire Spirit Beast was indeed too difficult to capture. Unless it came out of the Sea of Fire, there was nothing they could do!

Everyone did not know how to go about it either. They could only take turns to wait and calculate the time limit given by the Heavenly Gates Sect. They could only wait for another three days at most. If it was not fruitful, they had to return empty-handed!

At night, everyone felt a little sleepy. They had not slept for several nights. Perhaps because Yun Chujiu had swallowed the primordial spirit of the Fire Dragon, but she was very excited and did not feel sleepy at all. Therefore, she volunteered to work the night shift!

Seeing that Yun Chujiu's body was full of defensive spirit tools, there would not be any danger, so they agreed!

Yun Chujiu strolled to the front of the Sea of Fire, and observed the area. Her eyes were full of schemes!

After she activated the defensive spirit tools on her, she moved closer and began to shout at the Sea of Fire, "Hey, is there anyone inside?"

There was complete silence in the Sea of Fire. There was no reaction at all!

Yun Chujiu stretched her neck and continued shouting, "Are all the Fire Spirit Beasts...dead?"

Seeing that there was still no reaction from the Sea of Fire, Yun Chujiu touched her chin. Could it be that the Fire Spirit Beasts did not understand the human language? That should not be. Did they not say that the Fire Spirit Beasts were exotic beasts? If Little Black could understand her, they should be able to understand her too!
