

## The Yun Family's Ninth Child is an Imp! Chapter 380

Yun Chujiu rolled her eyes. She guessed that the Fire Spirit Beast was very cautious. Otherwise, it would not have been impossible to catch it for thousands of years.

“Sigh, could it be that all the Fire Spirit Beasts are dead? Sob sob, that’s such a pity!” Yun Chujiu straightened her neck and began to howl!

Elder Xiao and the others who were about to fall asleep when they were woken up by Yun Chujiu’s Howl.

Everyone was dumbfounded. What was Yun Chujiu up to?!

“So cute, so powerful, and such a magical animal has gone extinct. The Heavens is really heartless! All of you have lived underground your whole life and have never seen the outside world. It’s so sad to see all of you die just like that!”

The rolling pin and the ball of yarn felt that this line was somehow familiar. The two of them shook a little. Their evil master was going to trick the beast again!

“Sigh, there’s nothing I can do. Since you’re all dead, I’ll just pay my respects to you!”

“I’ll burn some soft and sweet steamed buns for you so that you can have balanced nutrition in the afterworld. You don’t have to eat hard stones anymore!” Yun Chujiu took out a few steamed buns from her storage ring and threw them into the Sea of Fire one by one as she spoke.

Elder Xiao and the others were so angry that they were twitching. ‘Has Yun Chujiu gone mad?! Isn’t that a waste of food?! The temperature of the earth fire is extremely high. Those steamed buns would instantly be turned into ashes?! What was she planning? Could it be that she wants to use the steamed buns to attract the Fire Spirit Beast?’

'Don't joke around!! As everyone knows, the Fire Spirit Beast only ate ores. It didn't eat anything else, alright?! She's simply messing around!'

Although everyone thought so, they still stretched their necks and looked forward. Something strange had happened! The first few buns had indeed turned into ashes, but when the fifth bun was thrown down, a shadow jumped out from the Sea of Fire, caught the bun that had yet to fall into the sea, and disappeared!

Elder Xiao and the others were dumbfounded. Then, they were so excited that they almost screamed, 'Fire Spirit Beasts! It must be a Fire Spirit Beast!'

Everyone held back the excitement in their hearts and did not come forward. They were afraid of disturbing Yun Chujiu. Damn! Although Yun Chujiu did not seem normal, these Fire Spirit Beasts seemed even more abnormal! A Fire Spirit Beast that had not shown its face for thousands of years actually appeared for a few steamed buns?! It was simply too weird, was it not?!

A faint light flashed in Yun Chujiu's eyes. Tsk, any reaction would've sufficed. Fire Spirit Beast, no matter how refined you are, you can't beat me!

Yun Chujiu continued to throw large steamed buns into the fire. A few more figures flashed past, took the steamed buns, and disappeared. Due to the cover of the earth fire, the crowd could not see the figure clearly. However, the speed of those figures was astonishing. They disappeared without a trace in just a flash!

Yun Chujiu rolled her eyes as if she did not see the Fire Spirit Beast. As she threw the buns, she shouted, "Poor Fire Spirit Beasts! If only you were still alive! I still have a lot of delicious food here. Much better than steamed buns! Poor thing, I'm afraid you haven't eaten anything other than stones!"

"I'm the most soft-hearted person, and I can't stand such a tragic story! If you didn't die, I would definitely feed all the delicious food in my storage ring to you!"

I don't care about the earth fire! What I like is your mysteriousness and your indifference to the world! If I can be friends with you, I'll definitely feed you until you're fat, so that you can play happily under the sun, and no longer have to hide in this underground life!"

Elder Xiao and the others were still very excited at the beginning. After all, they had seen the Fire Spirit Beast. However, they were a little discouraged now. Although the beasts had picked up the buns, they seemed to be very cautious! How could Yun Chujiu trick them into coming ashore with just a few words?!
