

The Yun Family's Ninth Child is an Imp! Chapter 383

Elder Xiao and the others saw that Yun Chujiu was winking at them so much that her eyes were about to cramp up, they could only turn around and walk out in confusion.

Everyone had the same thought. Would this work? Would those Fire Spirit Beasts really take the bait? Would they really come out from the Sea of Fire?

Yun Chujiu silently counted in her heart. One, two, three... When Yun Chujiu counted to thirty, a few fiery red figures jumped out from the Sea of Fire and pounced on the food.

Yun Chujiu did not stop and continued to walk forward. She also indicated that everyone should not pay attention to what was happening behind them.

Yun Chujiu muttered as she walked, "Let's go quickly! There's neither delicious food nor beautiful scenery in this cave. It's really suffocating! I'll never come to this lousy place again! I really don't know how the Fire Spirit Beasts can endure for thousands of years here. What a low-key mystical beast!"

"Let's go back and grill some meat. Earth fire isn't that great anyway. The flame is too uncontrollable, so it's better to grill it with tree branches! We can also eat it with hot pot, maybe stir-fry a few side dishes, and make a pot of spiritual wine. Tsk tsk, I'm dying of hunger!"

"After dinner, we can play on the swing, and soccer is so fun! Let's hurry up and leave! I can't wait!"

Yun Chujiu said that she would leave quickly, but her footsteps were slow. She perked up her ears to listen to the sounds behind her. 'As the saying goes, people die for money and birds die for food. I don't believe that these greedy beasts can endure it!'

Squeak squeak! Squeak squeak!

The Fire Spirit Beast behind them finally could not help but squeak.

Yun Chujiu still did not turn her head. She continued to mumble as she led the group forward.

Squeak squeak! Squeak squeak! Squeak squeak!

The Fire Spirit Beast's cries became even more urgent.

Yun Chujiu still turned a deaf ear to it. She even quickened her pace.

Finally, a few fiery-red figures leaped over and began to chirp anxiously about thirty feet away from the crowd.

Yun Chujiu looked as if her ears had just come back on. She turned her head around with a look of surprise. "Huh? Are you guys calling for me?"

The crowd followed Yun Chujiu and turned around as well. They saw five fiery-red small beasts standing about thirty feet away from the crowd. There were also three slightly larger beasts by the side of the Sea of Fire.

These small beasts were only about two feet in size. They looked similar to Fire-breathing Panthers. They had fiery-red fur and their eyes were like rubies. They were bright and beautiful.

The three slightly larger Fire Spirit Beasts started to squeak anxiously. It seemed like they were calling the five small Fire Spirit Beasts to return. However, these small Fire Spirit Beasts were having a friendly 'conversation' with Yun Chujiu.

"Are you Fire Spirit Beasts? You're so beautiful! You're the most beautiful spirit beasts that I've ever seen!" Yun Chujiu squatted down and said with a smile.

The five small Fire Spirit Beasts raised their necks proudly. Apparently, they were enjoying the compliments very much!

“Do you want something from me? I’m leaving now! This cave is so boring!”

The five small beasts seemed to be a little hesitant. They used their forelegs to push the sand around anxiously!

“Do you want to eat good food? I only have two roast chickens left, you can have them! I’m leaving, take care!” Yun Chujiu said as she took out two roast chickens and placed them on the ground. Then, she signaled everyone to leave with her!

Everyone resisted the urge to capture the few small Fire Spirit Beasts and followed Yun Chujiu!

The five small beasts pounced on the roast chicken and started eating it. How could two roast chickens be enough for them? In just a few bites, they were all gone. The five small Fire Spirit Beasts looked at each other and started to squeak once again at Yun Chujiu’s back!

Yun Chujiu turned around and spread her hands. “There’s really nothing left! If you guys want more, you’ll have to come back to Spirit Radiance Sect with me!”

At that moment, three large Fire Spirit Beasts ran over and kept roaring at the five small beasts, trying to grab their bodies and pull them back!
