

The Yun Family's Ninth Child is an Imp! Chapter 392

"Furry, tell me everything you saw!" Yun Chujui sniffed and took out a meat bun to eat.

It was not that she was heartless. She had not eaten in a month, so she was starving! If she did not eat something, she would probably faint from hunger!

Furry wiped its saliva. "Master, can you feed me something first, and then I'll talk about it? I wouldn't be able to explain well if I'm starving, right?"

Little Silver Dragon also flew out from the rolling pin. "Master, I want a bun too!"

Furry swallowed five big buns before it began to ramble. "Master, the gigolo kept calling your name countless times. It's really like the cuckoo, who after its tears were exhausted, kept weeping blood [1]! I was very touched when I heard it! He used his claws... Ah, I mean hands to dig at the soil for an entire day and night. Tsk tsk, even when his fingernails were gone, he was still digging at the soil!

"Later on, thankfully Old Man Qu was smart because he said that you definitely weren't dead since they couldn't find a body! The gigolo's condition improved then. However, he still sits by the pit every day and mutters the same words of things he has learned from you over and over again! It's night outside right now and he's still sitting by the pit and talking to himself! Master, I think if you don't go out now, he will probably become a lunatic!"

"What? How can we get out?" Yun Chujui wiped her tears with her sleeve and asked anxiously.

"Master, how did you get in? I don't even know that, let alone how to get you out! You'd better ask strange grass and my main body!"

Yun Chujui quickly injected her spiritual sense into her Dantian. She could not help but be surprised that the green and shiny leaves on the strange grass had become dim.

“Did your leaves become like this because you saved me?”

Strange grass shook its leaves proudly, answering Yun Chujiu’s question.

Yun Chujiu realized that the great Void Mirror, which originally occupied half of her Dantian, had disappeared. This was normal, because the real body of the great void mirror was now in the mystic realm. Naturally, it had left her Dantian.

Yun Chujiu blinked her eyes. She reckoned that she would only be ejected out of the mystic realm if she let the great Void Mirror enter her Dantian again!

Yun Chujiu comforted the strange grass for a while before she withdrew from her spiritual sense and looked at the main body of the great Void Mirror!

“Little Mirror, thank you for saving me! Now that I’m awake, you can enter my Dantian again and let me out!” Yun Chujiu said with a smile.

The huge main body of the great Void Mirror did not have any reaction. Yun Chujiu said a bunch of nice things, but was still no reaction!

Yun Chujiu was furious. “Oh my God! F*ck! F*ck! Damn it, Little Mirror! Let me out!”

“I want to go out and see my gigolo! If the gigolo is too devastated, I’ll smash you into pieces!”

...

Furry said weakly, “Master, try what you did last time! Drop the blood in the heart of the lotus flower!”

Yun Chujiu recalled what happened last time and could not help but feel a lingering fear. “Last time, after I dropped my blood, it almost sucked me dry and into a mummy! Wouldn’t it happen again?”

“But master, if you don’t do that, you won’t be able to get out!” Furry spread out its two small claws and said helplessly.

Yun Chujiu gritted her teeth. She had no choice. Hence, she bit her index finger and dropped her blood into the heart of the lotus flower on the great Void Mirror!

Fortunately, nothing like what happened last time happened. With a flash of white light, the great Void Mirror suddenly shrunk and hid between Yun Chujiu’s brows.

Yun Chujiu felt a wave of dizziness...
