

The Yun Family's Ninth Child is an Imp! Chapter 394

"You had no other intentions? Three thousand cultivation furnaces? 81 male lovers? Beautiful male harem? No other intentions?? Black Thing, you've disappointed me too much! I'll destroy all these books now, and I will not allow you to read these nonsense anymore!" Di Beiming picked up the stack of books and was about to destroy it!

Yun Chujiu quickly hugged Di Beiming's arm and snatched the book from his hand. "Prince Charming, stop! Show me mercy! Stop!"

Di Beiming saw Yun Chujiu trying to snatch it and became even angrier. He swung his arm and pushed Yun Chujiu away. In the blink of an eye, the stack of books turned into ashes!

Yun Chujiu was pushed to the ground and was stunned at first. Then, she also became angry. "What's wrong with me just reading them? Does it mean that I will do it? Brother Wuji said that you're choosing a consort? Then did you choose one? And how dare you push me?! Didn't you say that you would listen to me no matter what? What nonsense are you talking about?!"

Di Beiming initially felt a little guilty when he saw Yun Chujiu fall. However, when he heard Yun Chujiu say that, he was so angry that he trembled. "Good, very good! Black Thing, you're just twisting logic! Just because I said I'll do as you desire doesn't mean that I have to watch you two-timing me!"

"I'm two-timing you? Who am I two-timing on you with? You're the one who's petty! How dare you accuse me?! You have to compensate me for my books! Otherwise, we're done!" Yun Chujiu's little face was red with anger. 'This gigolo is really too overbearing. If he didn't want me to read it, he could've just said it properly. Why did he destroy my books?!"

"Compensate you for your books? You're delusional! I want to see how you're going to end things with me!" Di Beiming snorted coldly. He felt that Yun Chujiu was simply unreasonable. 'It's clearly her fault! She was reading those dirty books and yet she thinks it's reasonable? That's really disappointing!"

“Fine! You’re not going to compensate me, are you? Open the hatch and I’ll go back to Spirit Radiance Sect myself! I can’t be bothered with you!” Yun Chujiu said angrily.

Yun Chujiu thought that if she said that, Di Beiming would definitely give in. Who would have thought that a certain someone with an extremely low EQ actually opened the hatch!

Yun Chujiu was so angry that she almost hit the wall. There was no way out, so she could only take out the chopping board. She pretended to sit on the chopping board and shouted, “HMPH! My open-air chopping board is much better than your broken flying spiritual tool! Don’t try to follow me if you can!”

Di Beiming was so angry that his eyes were red. “Follow you? I would only follow you if I was crazy!”

Di Beiming’s flying spirit tool turned around and flew away quickly. Soon, only a little black dot could be seen!

An Feng, who was following behind, was dumbfounded. ‘What happened? Why didn’t Miss Jiu get on the flying spirit tool, and instead, went on the chopping board?’

An Feng poked his head out from the flying spirit tool and asked, “Miss Jiu, where did our Honored One go?”

Yun Chujiu said angrily, “He went back to choose his consort! Don’t follow me, go find that arrogant, arbitrary, and untrustworthy gigolo of yours!”

After saying that, Yun Chujiu commanded the chopping board to fly away quickly!

An Feng felt tens of thousands of divine beasts whizzing past his heart!

'Your Majesty. Who was the one crying and shouting a few days ago, saying that as long as Miss Jiu returned, everything would go according to her wishes? How can you be angered in just a few days?! Moreover, even if you had a conflict, we can't just abandon Miss Jiu, right?! Your Majesty, it's not that I'm criticizing you, but with your EQ, you'll never be able to marry a wife in your lifetime!

'Also, Miss Jiu, you can't be this nonchalant! Our Excellency almost went crazy for you a few days ago! Can't you just go along with him a little? Wouldn't it have been fine the way it was before?! As long as we go along with him, everything can be discussed, but why do you just have to go against him?!

'These two ancestors are too troublesome!! What should I do now?!

An Feng thought for a moment and decided to follow Yun Chujiu. 'After all, my mission is to protect Miss Jiu. Perhaps Your Excellency will come back on his own after his anger has subsided!'

"Miss Jiu, Miss Jiu! I'll send you back to Spirit Radiance Sect! Although your chopping board isn't slow, it's windy and rainy. It's more convenient with this flying spirit tool, right?" An Feng caught up with Yun Chujiu and said ingratiatingly.
