

The Yun Family's Ninth Child is an Imp! Chapter 400

Fairy Yu Mei and Daoist Zhenyi were a little scared by Yun Chujiu's gaze. However, they were all old people and immediately understood what Yun Chujiu meant. This little girl was asking for a greeting gift from them!

Master Xuanyuan smiled and said, "This child is really sentimental. Last time, Sect Master Du gave her a middle-grade spirit tool as a greeting gift, and now she always talks about it."

Fairy Yu Mei and Daoist Zhenyi were so angry that they were twitching. 'You Old Geezer, you're indirectly telling us that we have to give at least a middle-grade spirit tool in order to not undervalue ourselves. What an old fox!'

Their identities were made known. For the sake of the sect's dignity, they gritted their teeth and each gave Yun Chujiu a middle-grade spirit tool.

"Thank you, sect masters. I'm really sorry for making you spend so much on our first meeting." Yun Chujiu said politely, but she quickly put the two spirit tools into her storage ring, afraid that they would go back on their words.

Fairy Yu Mei and Daoist Zhenyi said to Master Xuanyuan with a fake smile, "Master Xuanyuan, I don't think this Yun Chujiu is like Sun Bozhong, but she's very similar to you!"

Master Xuanyuan said with a smile, "Little Jiu and I hit it off quite well. We're both people who value relationships."

Fairy Yu Mei and Daoist Zhenyi were speechless.

This old fellow's skin was getting thicker and thicker. Although he was cunning in the past, his skin did not seem that thick. Why had he become so shameless in the past year?!

Yun Chujiu made a small fortune and jumped behind Elder Qu. Elder Qu turned his head and his eyes were about to twitch. Yun Chujiu understood what he meant and said with a smile, "Elder Qu, don't worry. The things you asked me to take care of is done!"

When Elder Qu heard that, he immediately beamed with joy. "Good! Very good, you are so reliable! Sect Master, Little Jiu has returned. It's really a joyous occasion!"

Master Xuanyuan naturally understood what Elder Qu meant. It seemed that Yun Chujiu had brought back the Fire Spirit Beasts. 'Du Guyi, in the future, our Spirit Radiance Sect will no longer be under your control!'

"Fairy Yu Mei, Daoist priest Zhenyi, let's return to the main topic. Our Heavenly Gates Sect can let bygones be bygones, but from now on, your earth fire is not allowed to be sold to Spirit Radiance Sect. Otherwise, we will cut off your supply of earth fire." Du Guyi's attitude could be said to be very impolite. However, in Qingxuan continent, only their sect possessed the earth fire. Even if one was dissatisfied, what could one do?!

Although Fairy Yu Mei and Daoist Zhenyi were indignant, they could only nod and agree for the sake of their own sect.

Du Guyi saw the situation and looked at Master Xuanyuan with a fake smile. "Master Xuanyuan, now that Yun Chujiu has returned, does Spirit Radiance Sect still not agree to our conditions?"

Master Xuanyuan was about to refuse when Yun Chujiu raised her little claws and said, "Master Xuanyuan, can I express my opinion?"

Master Xuanyuan nodded. "Sure, go ahead."

Fairy Yu Mei and Daoist Zhenyi looked at each other. This Yun Chujiu was really favored. Under normal circumstances, how could a small successor disciple have the right to speak in this kind of situation?!

Yun Chujiu said with a serious face, "Master Xuanyuan, I think our sect should give away one-tenth of the Spirit Stones!"

Yun Chujiu's words immediately caused a huge commotion among the crowd. Everyone from Spirit Radiance Sect was dumbfounded. 'Is Yun chujiu crazy? You have eight Fire Spirit Beasts in your Spirit Beast Pouch. Why would you agree to their conditions?'
