

## The Yun Family's Ninth Child is an Imp! Chapter 402

Du Guyi sneered again and again. "What a joke. For thousands of years, the earth fire supply our sect has always been of high quality and quantity. When has there ever been an oversight?!"

"It's better to be safe than sorry! Since you think there wouldn't be a problem, then what's the harm in adding one more clause?" Yun Chujiu said with a smile.

"Hmph! What do you want to add?" Du Guyi snorted coldly.

"Well, it's very simple. If Heavenly Gates Sect is unable to provide sufficient earth fire according to the contract, then not only will your sect have to return our share of Spirit Stones, you will also have to compensate us with an additional one-tenth of our sect's share of Spirit Stones. Do you dare to accept?" Yun Chujiu crossed her arms, her legs were shaking, and her face was full of arrogance.

"Outrageous! Our Heavenly Gates Sect has never signed such an earth fire contract before!" Du Guyi slammed the table and said unhappily.

"Tsk, the agreement Heavenly Gates Sect prepared is a hegemonic one. If your Heavenly Gates Sect is unable to supply earth fire, wouldn't we be at a huge loss?! Besides, the previous contract was just to buy earth fire with Spirit Stones. Right now, we're giving away one-tenth of our share of Spirit Stones!

Sect leader, if he doesn't agree, we won't sign the contract. At most, we'll go out and buy medicinal pills and spirit tools in the future!! What's the big deal about that?! Don't tell me one-tenth of our share of Spirit Stones isn't enough to buy medicinal pills and spirit tools?! This is really infuriating! It's making me so angry that I'm hungry!" After Yun Chujiu finished speaking, she hopped back behind Elder Qu, took out a spirit fruit, and started munching on it.

Master Xuanyuan frowned. "Yun Chujiu is right. Heavenly Gates Sect is too unreasonable. If you don't agree to add this clause, then let's forget about this matter! The sect hasn't reached the point that we have to disband it just because we don't have earth fire!"

Du Guyi's expression changed a few times. He looked at the few elders of Heavenly Gates Sect who were sitting behind him and exchanged glances with them. Du Guyi then said, "Alright, there's no harm in adding this clause! Our sect's earth fire hasn't had any problems for thousands of years. I don't believe that will be any different this time."

After adding this clause to the contract, Master Xuanyuan and Du Guyi signed their names and stamped the official seals of both sects on it. Fairy Yu Mei and Daoist Zhenyi also signed their names as witnesses. The contract was considered to be effective.

Du Guyi said proudly, "Master Xuanyuan, since the contract is already effective, then Spirit Radiance Sect should hurry and send someone to the spirit stone mine with us to hand it over."

"Master Du, why are you in such a hurry? We have guests from afar. I've prepared a banquet, and I hope everyone will come." Master Xuanyuan was truly uncertain. 'Little Nine, what exactly are you planning? The earth fire from Heavenly Gates Sect hasn't wavered for thousands of years. Could something really happen?'

"In that case, I'll have to trouble you. As long as the transaction of the Spirit Stone mine is completed, I'll give the order to restore the supply of earth fire to Spirit Radiance Sect." Du Guyi was feeling extremely at ease at that moment. 'The previous generations of sect masters did not have my boldness and were always cautious. The Heavenly Gates Sect would definitely flourish in my hands!'

At the banquet, Du Guyi was very proud. Fairy Yu Mei and Daoist Zhenyi frowned slightly. 'The Heavenly Gates Sect had taken advantage of Spirit Radiance Sect. It's inevitable for them to attack us in the future. We should be more cautious when we go back.'

The people from Spirit Radiance Sect ate unenthusiastically. They were a little uncertain. 'Will Little Jiu fail this time?' If they miscalculated, it would be so embarrassing! They had eight Fire Spirit Beasts. If they used one-tenth of their Spirit Stones to buy earth fire, their heads would be kicked by spirit beasts!
