

The Yun Family's Ninth Child is an Imp! Chapter 403

Yun Chujiu, on the other hand, was enjoying her meal. Originally, those who attended the banquet were all elders, so Yun Chujiu had nothing to do with it! This shameless girl decided to follow them. Then, she even sat at the table with Master Xuanyuan and the others.

Although Du Guyi hated this little girl to death, it was all thanks to her words that he was able to succeed this time, so he did not say anything.

Fairy Yu Mei and Daoist Zhenyi frowned. Spirit Radiance Sect was too unruly. A mere successor disciple was actually on equal footing with them! However, the two of them had a deep sense of self-restraint. Although they were dissatisfied, they did not say anything.

Master Xuanyuan cried out bitterly in his heart. 'This is Spirit Radiance Sect's Little Ancestor. If she was not qualified to sit here, no one would be!'

Yun Chujiu saw a roast chicken on the table. She was not shy and courteous at all and broke off a drumstick and started eating.

Du Guyi had a look of disdain. "Little girl, how many days have you not eaten? Could it be that Spirit Radiance Sect is this poor? You can't even feed your disciples?"

Yun Chujiu said with a smile, "Didn't I just come back? I just did some physical work, so I'm really hungry! Please forgive me! Master Du, I advise you to eat more. The world is unpredictable, and you might not be in the mood to eat later."

Du Guyi snorted coldly. "I've always been open-minded, so how could I let small matters affect my mood?"

Yun Chujiu nodded, "Yeah, I admire big-hearted people like you. I hope that Sect Master Du will always maintain this!"

Fairy Yu Mei and Daoist Zhenyi looked at each other. This Yun Chujiu spoke without any scruples, and Master Xuanyuan does not try to stop her. The rest of the Spirit Radiance Sect also had a conniving attitude. Could it be that Yun Chujiu and Master Xuanyuan were related by blood?! Could she be Master Xuanyuan's illegitimate?!

Master Xuanyuan frowned. 'Could it be that Yu Mei and Zhenyi's eyes were cramping? Why did they look at me with such a strange gaze?!

At that moment, a disciple of Spirit Radiance Sect came in to report, "Sect leader, Elder Niu and Elder Ma of Heavenly Gates Sect requests to see you. They say that they have something important to report to sect leader Du Guyi."

Du Guyi's heart inexplicably trembled. Something big must have happened. Otherwise, they would not have travelled all the way to Spirit Radiance Sect!

Master Xuanyuan signaled the disciple who had reported to him to invite Elder Niu and Elder Ma in!

A moment later, two elders dressed in Heavenly Gates Sect's elder attire walked in with solemn expressions. After the two of them greeted each other, they said to Du Guyi, "Sect master, we have something important to report. Please excuse us for a moment."

When sect master Du Guyi saw their expressions, a strong sense of unease welled up in his heart. He immediately went outside with the two of them. After opening the isolation array, he asked, "What happened?"

Elder Niu and Elder Ma were on the verge of tears. "Sect master, something monumental happened! Not only has the earth fire in the earth fire cave been extinguished, even that Fire Spirit Beast has disappeared without a trace!"

Du Guyi only felt a buzzing sound in his head as he grabbed Elder Ma's clothes. "What did you say? Say it again!"

Elder Ma repeated the matter with a bitter expression. "Sect master, the matter has already happened. We should hurry up and make up for it! Since the sect masters of Bixiao Palace and Immortal Sword Sect are both here, let's take this opportunity to cancel the contract. Anyway, the contract doesn't have a clause that says that we have to pay compensation if we breach the contract."

Du Guyi's face was ashen, and the veins on his forehead bulged. He gritted his teeth and said, "I didn't include that clause in the original contract, but I f*cking did in the new contract with Spirit Radiance Sect!"
