

## The Yun Family's Ninth Child is an Imp! Chapter 407

The people of Spirit Radiance Sect were all extremely excited. Heavens, they had finally seen the appearance of Fire Spirit Beasts in their lifetime!! Plus, there were nine of them!!

It was simply too exciting, was it not?! In the future, sect's earth fire would be endless! Moreover, they could even sell it to other sects. It was truly a beautiful sight to behold!

"Come, little babies! Let's show them the formation we've practiced! Let's start with a long snake formation!" Yun Chujiu said proudly with her little hands behind her back.

The nine Fire Spirit Beasts obediently lined up in a row!

"Two Dragons Playing with Beads."

"Triple Grand Sun Rising."

...

When the people of Spirit Radiance Sect saw the Fire Spirit Beasts obediently changing their formation according to Yun Chujiu's words, they could not help but be dumbfounded!

Some people even secretly pinched themselves, grimacing in pain as they rubbed their eyes with all their might!

'F\*ck, didn't people say that Fire Spirit Beast are stubborn and violent?'

'Why are the nine in front of them even more obedient than little sheep?'

'Could it be that the little sheep had disguised themselves?!

'Come on, you guys are ancient exotic beasts!! Can you have some integrity?! Is this acting cute and juggling something that you ancient beasts should do?'

"Have you seen enough? I'll keep them!" Yun Chujiu put the Fire Spirit Beast back into the Spirit Beast Pouch and said, "Master Xuanyuan, if there's nothing else, I'll go back to the dormitory!"

Master Xuanyuan pondered over it and felt that something wasn't right!

"Yun Chujiu, what's the arrangement for the Fire Spirit Beasts in the future?" Master Xuanyuan's eyes flashed. This little girl was very stingy. Could it be that she was going to keep all the Fire Spirit Beasts for herself?!

"Arrangement? I'm just raising them for fun! I've practiced the formation, so if I have nothing to do, I'll get them to play Cuju with me!" Yun Chujiu said with a smile.

"Cough cough!! That's a little overkill. Besides, although these Fire Spirit Beasts can eat other things, they mainly eat ores. Most importantly, what should we do with the earth fire that they discharge? It might even burn down your small courtyard!" Master Xuanyuan said tactfully.

"Master Xuanyuan, they have a way to extinguish the earth fire. Otherwise, how could I extinguish the earth fire from Heavenly Gates Sect? If you have something to say, just say it. I'm not an unreasonable person," Yun Chujiu said with a tone that made it easy to negotiate.

"Cough cough! Then, I will just be direct! Can we keep the Fire Spirit Beasts in our sect's back mountain? Firstly, they can move freely. Secondly, I will send disciples to guard them strictly to prevent any accidents," Master Xuanyuan said with a smile.

Yun Chujiu giggled. "Sect master, I understand what you mean. You just want the earth fire to belong to the sect, right? That's not impossible. I'm a person who cares about the big picture the most. Even though I fished these Fire Spirit Beasts with buns, I'm a member of Spirit Radiance Sect, so I naturally have to think of our sect."

"Yun Chujiu, you've made a great contribution this time, so I'll reward you!" Master Xuanyuan's old face flushed red. 'This little girl is taking the credit. That's right. If it weren't for Yun Chujiu, Elder Qu and the others would've died in the fire cave. Not to mention she caught so many Fire Spirit Beasts!'

Yun Chujiu smiled and said, "Thank you, Master! How about this, I'm not a greedy person. Our sect can use the earth fire as we please. I won't accept a single Spirit Stone!"

Everyone felt that there was something wrong with their ears. 'Oh my God, did the sun rise from the north? This Yun Chujiu is the stingiest. Why is she suddenly so generous? There must be something fishy going on!'
