

The Yun Family's Ninth Child is an Imp! Chapter 414

Xue Wuji and shadow agent Huahua were dumbfounded!

They had imagined countless scenarios, such as Yun Chujiu crying and begging for mercy; Yun Chujiu fainting from fright; or Yun Chujiu fainting after being bitten by a Gold-ringed Snake.

However, who could have predicted that those Gold-ringed Snakes would be dead before anything happened to Yun Chujiu?!

Was Yun Chujiu's spiritual power not already restrained? Why was she still so agile?

Xue Wuji dodged the five snakes with a flash in his eyes. "Damn girl, you have some skills! However, I have many ways to deal with you! For example, I could starve you to death! Hahaha! Don't you love eating? I will starve you! Huahua, host a feast!"

Shadow agent Huahua was speechless at his young master's childish behavior. He immediately prepared a sumptuous feast.

Xue Wuji deliberately placed the table in front of the cage and began to eat slowly.

"Stinky little girl, are you hungry? Do you want to eat?"

Yun Chujiu simply turned around and did not look at Xue Wuji. However, the aroma of the dishes and wine kept finding its way into her nose. She tore a strip from her clothes and made it into a simple mask so that she could not smell it!

Seeing that Yun Chujiu turned around and did not look at him, Xue Wuji started to eat while shouting, "Tsk tsk, this red braised meat is soft and glutinous. It tastes really good!"

“This meatball is fried until it’s crispy on the outside and tender on the inside. You want more after eating one!”

“This steamed fish is even more delicious. It’s simply superb!”

...

Yun Chujiu simply covered her ears! However, all kinds of delicacies flashed through her mind—braised pork, steamed fish, hotpot, steamed buns, dumplings...

Yun Chujiu cursed Xue Wuji in her heart a few hundred times. Damn! He was just like a gigolo. They were all bad people, using delicacies to seduce her!

Yun Chujiu’s stomach rumbled. ‘Oh my God, could this damned black chicken starve me the whole time?!’

Coincidentally, that was Xue Wuji’s plan. After all, she would not starve to death from not eating for three days! Hence, he only gave Yun Chujiu some water every day and did not give her any other food.

Yun Chujiu’s eyes were blue with hunger. She hated Xue Wuji in her heart. ‘Black chicken head, just you wait. It will never be too for me, Little Jiu, to get my revenge. Sooner or later, I’ll get you!’

Yun Chujiu was so hungry that she thought she saw a flatbread wrap when she looked at the bars of the cage. The woolen blanket on the ground looked like cotton candy!

Just as Yun Chujiu was considering whether the woolen blanket could be eaten, she heard Xue Wuji’s wild laughter. “Di Beiming, I didn’t expect you to come so quickly! Yun Chujiu, that wretched girl, has

been locked in the demon-trapping cage by me. You wouldn't be able to release her without the key in my hands!"

Yun Chujiu's heart skipped a beat. 'The gigolo is here?'

Just as he finished speaking, Xue Wuji and Di Beiming walked in, followed by An Feng and shadow agent Huahua.

"Prince Charming! This shameless black chicken is starving me to death! Quickly throw some food in for me!" Yun Chujiu felt that Di Beiming was akin to an angel with wings at that moment. She definitely would not seek trouble with the gigolo in the future.

When Di Beiming saw Yun Chujiu being locked in the cage and heard her words, the murderous aura on his body was so thick that it made people suffocate. "Xue Wuji, do you take my words for granted?"

"Di Beiming, I didn't hit her or kill her. I just invited her over as a guest! As long as you give me a hundred million high-grade Spirit Stones, I will release her immediately." Xue Wuji was fearless. Besides, Yun Chujiu was in his hands, so Di Beiming would not dare to do anything to him.
