

The Yun Family's Ninth Child is an Imp! Chapter 416

Xue Wuji did not expect Yun Chujiu to be so easy. He took out the key and opened the cage. "Little Sister Jiu, you're so reasonable. I'll definitely treat you well."

Yun Chujiu moved her limbs and suddenly waved at Xue Wuji. Several bolts of lightning flashed. "I'll f*cking kill you! Did I tell you to catch me?! Did I tell you to get the snake to bite me?! Did I tell you not to feed me?! Prince Charming, help me beat him up!"

Xue Wuji did not dare to fight back. He was afraid that Di Beiming would really blow up the Blood Demon Pool, so he could only dodge desperately. "Little Sister Jiu! Little Sister Jiu! Please stop! It's a misunderstanding! It's all a misunderstanding!"

"Misunderstanding my ass! How about I try to lock you in a cage too?! And I'll try releasing a few snakes to bite you too?! How about I starve you for three days?!" Yun Chujiu chased after Xue Wuji and continuously struck him with lightning.

Although Xue Wuji's spiritual power was much higher than Yun Chujiu's, he did not dare to fight back with the presence of a great Buddha-like being, Di Beiming. The room was only so big, so he was having a hard time being chased by Yun Chujiu.

"Brother Beiming, Brother Beiming, quickly make Little Sister Jiu stop! Let's talk! Let's talk!" Xue Wuji shouted at the top of his voice.

Di Beiming saw that he was at his ends wits, so he said, "Little Jiu, come here!"

Yun Chujiu glared at Xue Wuji with hatred. Then, she walked up to Di Beiming and said, "Prince Charming, this black chicken is really too hateful! Not only did he lock me in a cage, he even used a snake to bite me. The most hateful thing he did was that he didn't give me any food!"

An Feng's eyes twitched. 'Miss Jiu, you are indeed different from the rest. Shouldn't the most annoying thing for a normal person be a snake bite? What you care about the most is that he didn't give you food?!'

Di Beiming looked at Xue Wuji. "Xue Wuji, what are you going to do?"

Xue Wuji's eyes flickered. "Brother Beiming, this is all a misunderstanding! Since the misunderstanding has been resolved, we are still friends! Can we release the people from the Blood Demon Pool?"

"Ptooley! Who is friends with you, black chicken! You've caused huge mental distress to me! If you don't compensate us with a hundred million high-grade Spirit Stones today, there's no need for us to discuss any further!" Yun Chujiu now had a big backer so she was very smug. 'F*ck! Black chicken ass*le, I won't let you off today!

"That... Little Sister Jiu is really humorous! This matter is my fault, but a hundred million high-grade Spirit Stones is too much. How about ten thousand?" Xue Wuji gritted his teeth. 'You stinky girl, why didn't you get bitten to death by a snake?!'

"Prince Charming, actually, there's no need for that Blood Demon Sect to exist. Just blow up it up!"

"A hundred thousand Spirit Stones!"

"How can a three-legged tripod be as good as two strong tripods?"

"One million!"

"If he goes and does nothing, isn't it a waste? Just blow it up!"

"Ten million!"

“Prince Charming, since Brother Wuji has admitted his mistake, our Lord is magnanimous. Let him off this time!” Yun Chujiu saw Di Beiming wink at her and knew that Xue Wuji had reached the upper limit of his tolerance.

Di Beiming glanced at Xue Wuji who was about to go crazy. “Transfer the Spirit Stones to me and I will let them go.”

Xue Wuji transferred the Spirit Stones to Di Beiming. After a while, he received the voice transmission talisman from his subordinate and squeezed out a smile. “Since the matter has been settled, I will not keep you. See you again.”

Yun Chujiu bared her little white teeth at him. “Brother Wuji, I think the luminous pearl on the roof is not bad. Are you giving it to me or me?”
