

## The Yun Family's Ninth Child is an Imp! Chapter 417

Xue Wuji squeezed out a word from between his teeth, "Send it!"

"Then I won't trouble Brother Wuji. I'll just dig it out myself! I usually don't trouble others when I can do things myself!" Yun Chujiu sat on the chopping board, she used a small dagger to dig out all the luminous pearls on the roof. Oh, and she left one for Xue Wuji in the end. Otherwise, she would not be able to see anything in the house.

After Yun Chujiu flew down, she looked at the carpet on the floor. She cut off a large piece with her dagger and rolled it up into her storage ring!

"These few pieces of furniture look good too. Brother Wuji, do you mind if I borrow them for a few days?"

Xue Wuji clenched his fist and loosened it. He squeezed out an answer with great difficulty, "I don't mind!"

Thus, Yun Chujiu kept a few pieces of furniture in her storage ring. Finally, she took a look at the demon-trapping cage. Xue Wuji's heart trembled. He quickly kept the demon-trapping cage in his storage ring, "Little Sister Jiu, I've refined this before. I can't give it to you."

Yun Chujiu curled her lips, "I didn't say I wanted it. Talking to me as if I'm a thief. Seriously! Prince Charming, let's go! There's nothing good in this room anyway! Brother Wuji, see you later!"

After Yun Chujiu and the other two left, Xue Wuji clutched his chest and howled, "Huahua, my heart hurts! Yun Chujiu! Di Beiming! I'm not done with you guys! My ten million high-grade Spirit Stones! My Illuminating Pearl! My snow cashmere carpet! My furniture!"

Shadow agent Huahua was speechless!

'It was all your fault, okay?!'

'Why did you have to flirt with that little girl? Now that Di Beiming had handled the situation, then only do you regret it!'

"Huahua... A year ago, I was still on par with Di Beiming. How did he become so powerful all of a sudden?"

"Young Master, I'm equally as confused. Could it be that he had an opportunity or a hidden illness in the past?"

Xue Wuji's eyes rolled around and suddenly his eyes lit up. "Recently, the only variable is that stinky girl, Yun Chujiu. Do you think that Di Beiming's sudden strength has something to do with that girl?"

"Young Master, what you said makes sense!" Shadow agent Huahua thought for a while and felt that his young master was right. Why would Di Beiming take a fancy to Yun Chujiu? There must be a reason behind it.

Xue Wuji took out the skull and played with it for a while. Suddenly, he said, "Since it has something to do with that girl, I will reluctantly continue to get close to her. With my intelligence, I will definitely be able to find some clues!"

Shadow agent Huahua really wanted to help Xue Wuji recall how he was tricked by Yun Chujiu a few times. However, for the sake of his own life, he swallowed his words.

"Achoo! achoo! Damn it! The black chicken must be speaking ill of me!" Yun Chujiu, who was on the flying spiritual device, sneezed twice.

Di Beiming sat on the chair at the side without even lifting his eyes, as if he did not hear her words.

Yun Chujiu cursed in her heart, 'Gigolo! You tsundere!! Why are you pretending to be cold?! Are you waiting for me to apologize!? HMPH?! I didn't do anything wrong, why should I apologize?!'

However, when Yun Chujiu thought of the ten million high-grade Spirit Stones that Xue Wuji had just compensated, she immediately threw away her integrity!

This fellow eagerly walked up to Di Beiming and said, "Prince Charming, are you still angry at me? After I was caught by Xue Wuji, I thought that I was going to die. At that time, the only thing that I couldn't let go of was you, Prince Charming!"

Di Beiming did not say anything, but he raised his eyebrows slightly. When Yun Chujiu saw this, she said, "Prince Charming, you said that we've been through a lot, and we broke up just because of a few words. Isn't that making a big deal out of nothing? Moreover, if you had told me properly, would I not have listened to you? Am I an unreasonable person? You even pushed me down... My back still hurts from it..."
