

The Yun Family's Ninth Child is an Imp! Chapter 418

An Feng, who was piloting the flying spirit tool, almost burst out laughing. 'Miss Jiu, you're too good at bullsh*tting! I saw that you were alive and kicking when you were taking the Illuminating Pearl. Why are you in pain now?'

The corner of Di Beiming's eyes twitched slightly, but he still did not speak.

Yun Chujiu saw that Di Beiming was still ignoring her. She rolled her eyes and said with a cheeky smile, "Prince Charming, do you want me to kiss you so that you will forgive me? An Feng! Close your eyes and cover your ears! I'm going to kiss your Highness!"

"Nonsense! Don't read those dirty things anymore!" Di Beiming could not bear to listen anymore.

Yun Chujiu made a victory sign in her heart. 'Little boy, no matter how arrogant you are, I can take you down!'

"Prince Charming, I remember that a year ago, you were injured by that black chicken, right? Why is he so afraid of you now?" Yun Chujiu asked in puzzlement.

"Miss Jiu, firstly, our Lord has the cold poison on him, and secondly, Xue Wuji is full of tricks. That's why he was ambushed by Xue Wuji! Now that our Lord has gotten rid of the cold poison, he naturally doesn't worry about Xue Wuji anymore!" An Feng then added in his heart! 'Also, our Lord has become a lot more cunning in the process of fighting with you, hasn't he?!'

Yun Chujiu bared her little white teeth. "Prince Charming, so the reason why you're so powerful is because of me! If it wasn't for my blood, how could your cold poison be removed so quickly? So, if I make any mistakes in the future, don't worry about me for the sake of the blood!"

The corners of Di Beiming's mouth curled into a noncommittal smile. When he went back, he had thought it through. For a person who could show off like the black thing, he had to do both. He could not let her do as she pleased, or else she would be able to ascend to heaven!

"Prince Charming, if you can destroy the Blood Demon Sect, why do you still keep it?" Yun Chujiu asked in confusion.

"The situation in the Tianyuan continent is complicated. Maintaining the current situation is for the best. Moreover, the Blood Demon Sect is not as simple as it looks. I said that I would destroy them just to intimidate them. If it was so simple to destroy the Blood Demon Sect, why would I let Xue Wuji off so easily?!" Di Beiming explained.

"Ah, so that's how it is. But it doesn't matter, I'll become stronger sooner or later. When that time comes, I'll lock that black chicken in the cage and release the snakes to bite him every day while starving him to death!" Yun Chujiu said fiercely.

Yun Chujiu continued to ramble on and then came to the main topic, "Prince Charming, can you transfer the Spirit Stones that the black chicken compensated me with to me?"

Di Beiming raised his eyebrows. "Compensate you?"

"Yes, that ten million high-grade Spirit Stones is what that chicken compensated me for my mental damage!" Yun Chujiu had an ominous feeling in her heart. 'Could it be that the gigolo is going to keep it all for himself?!

Di Beiming looked at her deeply. "If I don't save you, do you think Xue Wuji will compensate you with Spirit Stones? Transfer it to you? It's already good enough that I didn't ask you to hand over the Illuminating Pearl!"

Yun Chujiu was dumbfounded! The gigolo had turned back into a tsundere gigolo again! She had only been in charge for a few days, but she was suddenly tormented because of a few storybooks! If God gave her a second chance, she would definitely not read those storybooks! Ah! Ah!

Seeing that the Spirit Stones were not going to her, Yun Chujiu could not be bothered to please Di Beiming anymore. She pouted, took out a quilt, and laid it on the ground to sleep!

Di Beiming wanted to coax Yun Chujiu a few times, but after thinking about it, he still did not move. He had to establish his authority in front of the black thing, or else she would definitely take advantage of him.
