

The Yun Family's Ninth Child is an Imp! Chapter 420

When everyone heard Yun Chujiu's words, they all frowned. Back then, Heavenly Gates Sect only had one Fire Spirit Beast, so it was easier to handle. If these nine Fire Spirit Beasts were together, would the sect not become a fire cave? If that was the case, then Spirit Radiance Sect would not be habitable!

Master Xuanyuan's heart moved. "Little Jiu, since you have a way to extinguish the earth fire from Heavenly Gates Sect, perhaps you can also extinguish a portion of our earth fire too, right?"

"Hehe, Master Xuanyuan is so smart! He actually thought of a solution in such a short time! I am truly impressed!"

The corners of Master Xuanyuan's eyes twitched. Was she kicking him down then giving him a bandage?!

"When the time comes, I'll get the Fire Spirit Beast to control the scale of the earth fire so that it won't be too hot. In addition, plant some medicinal herbs in the outer area that can absorb the heat of the earth fire. This way, we can have an additional share of the income from the herbs. There's no need to share the income from the medicinal herbs with me!" Yun Chujiu said with a smile.

Everyone nodded. Yun Chujiu was finally generous this time. Elder Qi secretly pursed his lips. She did not want the income of the medicinal herbs, but the medicinal herbs she gathered in his spirit herb garden were worth much more than that!

"Little Jiu, last time I said that I would hold a banquet to entertain Young Master Di. After that, he had something to do and left. Tonight, I will hold a banquet to entertain Young Master Di. You must invite him to attend."

"No problem, I'll definitely bring him over for you! Make more delicious food. The roast chicken last time was very good, and the plum blossom cake and golden crispy noodle snacks were also quite delicious. Oh right, that braised pork was too sweet last time. This time, use less sugar..."

Master Xuanyuan rubbed his forehead. 'Can I add, Yun Chujiu, you don't have to come tonight?'

Yun Chujiu hopped back to the dormitory and told Di Beiming about Master Xuanyuan's invitation. Di Beiming agreed without hesitation. It was a good opportunity to deepen everyone's impression that the black thing belonged to him, so that no one would have any devious ideas!

In the evening, Yun Chujiu and Di Beiming rushed to the banquet hall.

Under the setting sun, Di Beiming, who was dressed in white and flying on a sword, instantly became the focus of the crowd!

"Oh my God, it's Young Master Di! He's coming to Spirit Radiance Sect again!"

"Young Master Di is so charming! I feel like my heart is about to burst!"

"Ah, if I knew Young Master Di would come today, I would have worn my pink outfit! I'll go back and change now!"

"Is that Yun Chujiu next to him? How despicable! She always clings to Young Master Di!"

"Who else is sitting on the chopping board flying apart from her?! How shameless! She accepted our gifts for him last time. I wonder if she handed them over to Master Di!"

...

Di Beiming and Yun Chujiu entered the banquet hall. Master Xuanyuan and the others had already arrived. After everyone exchanged a few pleasantries, the banquet began.

Yun Chujiu buried her head in food and was focused on eating. Di Beiming carefully helped to peel the prawns and pick out the fish bones. In the eyes of Master Xuanyuan and the others, not only did this Master Di have a high level of spiritual power, he was also deeply in love with Little Jiu and was also very meticulous. In short, Little Jiu was really lucky!

After the banquet ended, and after bidding farewell to everyone, Yun Chujiu burped and said, "Prince Charming, I'm a little full from eating. Let's walk back!"

She was thinking in her heart, 'These lurkers are all staring at my Prince Charming. I want to let you all know that the gigolo is mine, and you all are f*cking hopeless!'

Di Beiming's eyes flickered. He thought that this was a good opportunity to show off and make those who had bad intentions toward Little Jiu stop!

Thus, the two of them kept throwing out dog food on the road! They tortured countless single dogs to death!
