

The Yun Family's Ninth Child is an Imp! Chapter 424

In less than three days, the news that the Spirit Radiance Sect had obtained a fire essence beast spread like wildfire!

Du Guyi was so angry that he started to twitch. "It must've been stolen from us! And you even said that it was a heavenly gift! What bullshit! Spread the news that Spirit Radiance Sect had stolen Heavenly Gates Sect's Fire Spirit Beast and send invitations to all the major sects. Say that in three days, Heavenly Gates Sect will go to Spirit Radiance Sect to seek justice and ask everyone to be a witness!"

The others from the sect were also extremely angry. One of them commented, "Sect leader, I really can't understand how Spirit Radiance Sect extinguished the earth fire and stole the Fire Spirit Beast!"

Du Guyi gnashed his teeth and said, "No matter how they did it, I will not forgive them this time! They actually stole our Fire Spirit Beast and then set a trap for me to jump in. It's really detestable!"

Three days later, Du Guyi brought the people of Heavenly Gates Sect to the foot of Spirit Radiance Sect's mountain. The other forces of the Qingxuan continent also sent people over. They were mostly maintaining a wait-and-see attitude. This matter of the earth fire was not a small issue, who was who had to be put aside first. In the end, the most important thing was to reap the benefits.

"People of Spirit Radiance Sect, hurry up and come out! Stealing Heavenly Gates Sect's Fire Spirit Beast is really shameless! Come out and confront us!" The people of Heavenly Gates Sect shouted loudly!

The voices of the people from Heavenly Gates Sect had gone hoarse. The mountain gate of Spirit Radiance Sect was still tightly shut, and not a single person came out!

Steam almost came out of Du Guyi's ears from anger. Was Master Xuanyuan planning to hide in there?!

Just as everyone was slowly losing their patience, Spirit Radiance Sect's mountain gates opened, and Master Xuanyuan came out with five other peak masters and all the elders with a smile on his face!

“Everyone, sorry for not welcoming you earlier! I just helped the Fire Spirit Beast take a bath so I was held back for a bit. Please forgive me!” Master Xuanyuan cupped his hands at everyone.

Everyone was dumbfounded!

What the hell was that?

Bathing the Fire Spirit Beast?

Was he joking around?!

Who did not know that the Fire Spirit Beast had a violent personality? Let alone taking a bath, one could not even catch a glimpse of its shadow normally, right?!

Du Guyi sneered. “Master Xuanyuan, even if you’re lying, you should say something more believable! No one has seen the true appearance of the Fire Spirit Beast in our Heavenly Gates Sect for thousands of years. How did it suddenly become docile in your sect?”

Master Xuanyuan frowned. “Du Guyi, what are you talking about? What do you mean it had become docile in our sect? This one of ours was bestowed by the heavens, and yours was captured. How can this be the same?”

Du Guyi sneered. “Xuanyuan Changkong, do you take us all as three-year-old children? “How could it be so coincidental? Heavenly Gates Sect just lost one, and your sect suddenly has a Fire Spirit Beast? You’ve clearly used despicable methods to steal our Fire Spirit Beast. I didn’t expect that Spirit Radiance Sect, one of the four great sects, would actually do such a thing. How despicable!”

Everyone felt that what Du Guyi said made sense. That was right! How could there be such a coincidence? They had just lost it, and now there was one of them there?!

“Sect leader, you’re too easy to talk to. Let me ask sect leader Du Guyi a few questions!” Yun Chujiu jumped up from behind and said with a smile.

‘It’s this damned girl again!’

Du Guyi hated Yun Chujiu to death, but his thoughts changed. ‘No matter how cunning this little girl is, she’s not as cunning as that old fox, Xuanyuan Changkong. Perhaps I can find a flaw in her!’

Thus, Du Guyi said, “Yun Chujiu, what do you want to ask?”
