

The Yun Family's Ninth Child is an Imp! Chapter 427

Du Guyi had an inexplicable ominous premonition in his heart. Back then, when this stinky girl tricked him into signing the contract, she was smiling like that too. 'Could it be that I'm being scammed again? It can't be. It can't be! I must be overthinking!! How could a teenage girl have such shrewdness?!

"Master Xuanyuan, send a few elders to catch the Fire Spirit Beast with me. Our sect has always been truthful. Let's show the world who is lying!" Yun Chujiu turned around and said to Master Xuanyuan.

Master Xuanyuan nodded and let Elder Xiao and the others follow Yun Chujiu into the mountain gate.

Although Master Xuanyuan looked calm on the surface, he was extremely excited on the inside!

'Damn! Du Guyi, are you mad? Aren't you a show off? I'll make you suffer! I'll show you know what it means to be unable to cry! What it means to be in so much pain that you wish you were dead! What it means to have nothing to live for!'

The elders of Spirit Radiance Sect all had solemn expressions on their faces, but in fact, they were all about to burst out laughing in their hearts! When they were tricked by Little Jiu, they had rejected her in their hearts, but seeing her trick Du Guyi was really great!!

Little Jiu's ability to deceive others was truly at its peak. No wonder Du Guyi was tricked. If they did not know the inside story, they would definitely think that she was guilty. Her acting skills were simply impossible to not fall for!

Everyone waited for nearly an hour before Yun Chujiu and the others came out. Everyone stretched their necks and looked at a small fiery-red beast following behind them!

This small beast was only about two feet in size, and its appearance was somewhat similar to that of a Fire-breathing Panther. It had fiery-red fur, and its eyes were like rubies, flowing with brilliant colors—it

was very beautiful. What disappointed everyone was the small beast's tail had been wrapped by cloth, so it was impossible to tell whether its tail had been broken or not.

Du Guyi had originally felt a little uneasy, but now that the small beast's tail had been wrapped, his heart was filled with confidence again. Spirit Radiance Sect was clearly trying to cover up. If its tail had not been broken, would there be a need to cover it up?!

The surrounding crowd curiously sized up the little red beast. Someone asked loudly, "Sect leader Du Guyi, is this a Fire Spirit Beast? Didn't the Fire Spirit Beast we had have a violent temperament? This one looks rather docile."

"That's right, we've never seen a Fire Spirit Beast before. How can we prove that this is it?"

...

Du Guyi looked at Yun Chujiu. "Little girl, is this really a Fire Spirit Beast?"

Yun Chujiu pursed her lips and rubbed the little beast's head. The little beast aimed its butt at Du Guyi, and a rock fell to the ground and quickly burned!

"Oh my God! It's really a Fire Spirit Beast! But isn't a Fire Spirit Beast a strange beast? How can it be so obedient? That little girl even touched its head and it didn't resist!"

"Yeah, I think this Fire Spirit Beast might really be heaven's gift. Didn't they say that the one from the Heavenly Gates Sect was very violent? This one is obviously very docile!"

"It's hard to say. Can't you see that this Fire Spirit Beast's tail is wrapped in cloth? If they weren't guilty, why would the tail be wrapped in a cloth?"

...

“Little girl, since this is a Fire Spirit Beast, then untie the cloth on its tail!” Du Guyi said confidently.

“Sect leader Du Guyi, do you have any first-aid pills on you? Don’t try to blackmail Spirit Radiance Sect just because you can’t take the blow later!” The smile on Yun Chujiu’s face was very bright. She was going to make a small fortune again. Was that not fantastic?!
