

The Yun Family's Ninth Child is an Imp! Chapter 428

"Little girl, cut the crap. Hurry up and untie the cloth!" Du Guyi snorted coldly.

Yun Chujiu untied the cloth on the Fire Spirit Beast's tail bit by bit. "La, la, la! Everyone, take a look. What a perfect tail!"

Everyone's eyes were focused on the beast's tail. The tail was flawless. It was long and curled up, swaying back and forth nimbly.

"No! Impossible!" Du Guyi's eyes widened. He could not believe what he had just seen. "It's a fake! You must've done something to it! They fixed the tail last minute!"

Yun Chujiu giggled. "Fairy Yu Mei and Daoist Zhenyi, please come forward and take a look. See if this tail has been tampered with? Sect Master Du Guyi, you trust them, right?"

Although Du Guyi wished that he could go forward and cut off the Fire Spirit Beast's tail, he still nodded. "Alright, please take a look!"

"Will this Fire Spirit Beast obediently let us take a look?" Fairy Yu Mei asked suspiciously.

"It can distinguish between good people and bad people. You and Daoist Zhenyi are both good people, so it wouldn't reject you. If it were that person, it wouldn't work!" Although Yun Chujiu was vague, everyone knew that she was talking about Du Guyi. Du Guyi was not in the mood to bicker with her right then. His eyes were fixed on the Fire Spirit Beast's tail.

Fairy Yu Mei and Daoist Zhenyi walked to the Fire Spirit Beast's side doubtfully and gently touched the Fire Spirit Beast's tail!

The Fire Spirit Beast shouted in its spiritual sense, "Master, can you not let them touch my tail?"

“Number Two! Be good! I will go back and give you more food! Just let them touch it a few times and it’ll be over! I’m making money to buy food for you!”

In order to eat, the Fire Spirit Beast had no choice but to abandon its dignity as a beast. It obediently allowed Fairy Yu Mei and Daoist priest Zhenyi to touch its tail a few times.

“This Fire Spirit Beast’s tail has indeed not been damaged,” Fairy Yu Mei said with certainty.

“That’s right, its tail hasn’t been tampered with,” Daoist priest Zhenyi echoed from the side.

Du Guyi only felt a buzz in his head! If it was not for his superb spirit energy, he might have really fainted under such a huge blow!

It was over!

‘Not only did we lose Spirit radiance Sect’s one-tenth of their share of Spirit Stones, we also have to compensate them one-tenth of their share of Spirit Stones, and the f*cking ten million low-grade Spirit Stones!’

‘Yun Chujiu! It’s all because of this smelly girl! Every time I’m unlucky, I can’t escape her involvement! I must find a chance to get rid of this stinky little girl!’

“Sect leader Dugu? You have nothing to say now, right?! Now it’s my turn to speak! Everyone, I believe that you’ve seen the contract that the Heavenly Gates Sect signed with our Spirit Radiance Sect. The Heavenly Gates Sect is really black-hearted, constantly finding trouble with our sect and insisting that we give away one-tenth of our share of Spirit Stones before agreeing to sell us earth fire...

“I didn’t expect that the heavens would deliver the appropriate retribution. Not only did they extinguish the earth fire, but the Fire Spirit Beast had also disappeared! Thus, they framed our sect for stealing their Fire Spirit Beast! I won’t comment much on Heavenly Gates Sect’s actions as I believe that everyone’s eyes are sharp enough to see them.

“Sect leader Dugu, now that the truth has been revealed, you should first transfer ten million low-grade Spirit Stones to Master Xuanyuan and then send someone to settle the Spirit Stone shares with us.

“It’s best if you don’t have any wishful thinking. If you want to act like a scoundrel and stall for time, and if your Heavenly Gates Sect doesn’t deal with this matter quickly, then in the future, Spirit Radiance Sect’s earth fire will not be sold to your sect at all!” Yun Chujiu’s small figure was upright, and her words were righteous and impassioned!
