

The Yun Family's Ninth Child is an Imp! Chapter 430

"Thank you for your reminder, Master Du! Don't worry, I'll be able to live for thousands of years. Oh, you're already several hundred years old. Be careful on the way back. Don't get choked up or you'll be over in a flash!" Yun Chujiu smiled arrogantly.

Du Guyi felt that he would be so angry that he would vomit blood if he were to continue talking to the little girl. With a flick of his sleeve, he left with the people from Heavenly Gates Sect!

Master Xuanyuan was in a good mood. It had been many years since he had such a good feeling! This pleasant mood continued until he entered the meeting hall.

"Master Xuanyuan, do you want to give me some of that ten million Spirit Stones? My mouth is dry from talking, and there's also Number Two's performance. You should at least pay us some performance fees!"

"How much do you want?" Master Xuanyuan subconsciously covered his storage ring.

"Let's meet in the middle. You just have to give me half!"

Master Xuanyuan gritted his teeth. "You have indeed made a great contribution this time, but as the Little Ancestor of Spirit Radiance Sect, it's only right for you to contribute to the sect, so, I'll pay you a million at most!"

Yun Chujiu curled her lips. "Alright, I am the sect's elder after all. One million it is!"

Yun Chujiu made another small fortune. After happily sending Number Two back to the earth fire cave, she hopped back to her own courtyard!

Before she reached the courtyard, she saw a group of colorfully-dressed people blocking the entrance of her courtyard. They craned their necks and looked into the courtyard. When someone noticed that Yun Chujiu had returned, she immediately shouted.

“Junior Sister Little Jiu is back? We want to have a chat with you. Quickly let us in! We’ve been waiting for you here for a long time.”

Yun Chujiu’s good mood immediately disappeared. This gigolo was really attracting attention! Fortunately, there was an isolation array in the courtyard. Otherwise, this group of people would have definitely barged in!

“Senior Sisters, do you guys have an ulterior motive?”

To tell you the truth, my Prince Charming will only like me in this life, the next life, the following life, and so on. You don’t have to waste your efforts. It’s better for you to swiftly change your target!” Yun Chujiu placed her hands on her waist and shouted domineeringly.

Everyone was stunned at first, then they started quarreling with each other!

“Junior Sister Little Jiu, you don’t have the right to say this. Only Young Master Di can say it himself! That’s right, we have to hear it from Young Master Di personally before we’re willing to believe it.”

“That’s right, you are not married yet, so we have the right to pursue! Why don’t you let us see Young Master Di?”

“Yun Chujiu, Young Master Di must’ve been tricked by you. Otherwise, why would he like a little girl like you who has no figure, body, or spirit energy?!”

...

Yun Chujiu looked at them with contempt and opened the isolation array in the courtyard. She saw Di Beiming sitting beside the stone table and drinking tea.

When everyone saw Di Beiming, they immediately restrained their aggressive aura and looked at him shyly!

“Young Master Di, I am Xu Yan, an inner disciple of the West Peak. Ah, your teacup is empty. Let me pour you some tea!”

Xu Yan said as she quickly walked toward the stone table. She had a plan in her mind. With her looks, she would definitely be able to attract Young Master Di’s attention. She was much better than Yun Chujiu.

“Scram!”

Just as Xu Yan’s hand was about to touch the teapot, Di Beiming flicked his sleeve. Xu Yan flew over everyone’s head like a kite with a broken string. After a long while, everyone heard a loud bang!
