

The Yun Family's Ninth Child is an Imp! Chapter 432

"This time, we went to Qingtian Mountains. Apart from the beautiful scenery, there are also many specialty products there. This nine-petaled Hibiscus nectar is very refreshing and sweet. There's also this crescent banana that has a soft and sticky in the mouth, and girls love to eat it..." Feng Ming kept taking things out from his storage ring to show off his treasures.

Yun Chujiu's smile was as bright as a flower. As she kept the things, she kept asking non-stop, "Senior Brother Feng Ming, how far is Qingtian Mountains from our sect? When will you go again next time? Can you bring me along too?"

Feng Ming suddenly felt a chill on his body. When he raised his head, he saw Di Beiming.

Feng Ming felt that he could be considered as one of the best among the younger generation. Not only in Spirit radiance Sect, but also in the Qingxuan continent. However, compared to this man in front of him, whether it was his appearance, aura, or spiritual power, all of them were inferior!

Feng Ming's confidence, which he had always been proud of, suffered a huge blow!

Di Beiming stared coldly at Feng Ming and did not speak. However, even such a faint pressure made Feng Ming feel a little breathless!

Feng Ming suddenly recalled that he had fallen for no reason twice and inexplicably felt that it was related to this man in front of him!

Yun Chujiu only noticed Di Beiming's displeased expression at this time and quickly said, "Senior Brother Feng Ming, this is Di Beiming, my Prince Charming. Yun Chujiu's man!"

Feng Ming stumbled and almost fell to the ground! With a shocked expression, he asked, "Junior Sister Little Jiu, what did you say? Y-your man? Are you married?"

Yun Chujiu giggled, “Not yet, but sooner or later he will be mine! Prince Charming, this is bird— Senior Brother Feng Ming!”

Although Di Beiming felt that it was more appropriate to say that she was his woman, but seeing that Yun Chujiu did not hide their relationship in front of Feng Ming, he knew that she really did not have any romantic feelings for Feng Ming. Thus, the expression on his face eased up a little.

Di Beiming nodded slightly at Feng Ming who cupped his hands. The two of them could be considered to have already met each other.

Feng Ming chatted a little more. He felt a little uncomfortable in front of Di Beiming. Moreover, he felt odd that Yun Chujiu kept talking about her man, so he found an excuse to leave!

When Yun Chujiu hopped to send Feng Ming off, Feng Ming asked in a low voice, “Junior Sister Little Jiu, what’s going on? You’re still young, don’t be deceived!”

“Senior Brother Feng Ming, don’t worry! I’ve known my Prince Charming for a long time. Master Xuanyuan and the others have also seen my Prince Charming. I’ll look for you to play with when I have time!” Yun Chujiu said with a smile.

When Feng Ming heard her say that, he could not say anything more and left.

Yun Chujiu hopped back to the courtyard, took out the banana that Feng Ming had given to her, and ate it happily. While eating, she asked, “Prince Charming, don’t scare Senior Brother Bird so much. He has helped me a lot!”

Di Beiming snorted coldly but did not say anything. Although Bird Boy was a little weak, his character was still okay. He could not stay in Spirit Radiance Sect too often, so maybe Bird Boy could help him a little.

“Little Jiu, since the matter with the Fire Spirit Beast has come to an end, I’ll go back to deal with some matters first. Don’t be too playful and cultivate well. Try to ascend to the Tianyuan continent as soon as possible.” Di Beiming had saved Yun Chujiu from Xue Wuji, he had accumulated quite a lot of things in his hands. Initially, he had planned to leave after sending Yun Chujiu back to Spirit Radiance Sect. However, he was worried that the Heavenly Gates Sect would make trouble, so he stayed for another two days.

“Okay, Prince Charming. Go do your thing! I will cultivate properly!” Yun Chujiu nodded her head obediently. At that moment, this fellow’s heart was flying. After the gigolo left, she was going to look for Senior Brother Bird. She still had many questions to ask.

Di Beiming frowned, “After I leave, don’t mess around. If I find out that you’ve done something ridiculous, I will not forgive you!”

Yun Chujiu said confidently, “Don’t worry! I will definitely cultivate well and improve every day. I will never let down my Prince Charming’s expectations! Oh right, my Prince Charming, you must treat the other flirtatious b*tches like you did today. You must attack them steadily, accurately, and ruthlessly. You must not let them have the chance to get close to you!”
