

The Yun Family's Ninth Child is an Imp! Chapter 433

The corner of Di Beiming's eyes twitched slightly. "Mm, keep these five concealment talismans just in case you need them."

"Prince Charming, you're really too kind! Come, give me a kiss, Give me a kiss goodbye!" Yun Chujiu stood on her tiptoes and hugged Di Beiming!

Di Beiming waved his sleeve, and the miserable An Feng instantly lost his perception!

An Feng's heart was on the verge of collapse! 'The two of you are really crossing the line!'

'Don't put out bait if you don't want anyone to take it! You're going to torture a single dog like me to death!

'Miss Jiu is really bold and unrestrained!

'However, for such a proud and arrogant fellow like the Revered One, perhaps only an unconventional girl like the ninth miss could take him down!

'The women of the Tianyuan continent were destined to be sad!

'However, some of the girls who adored the Revered One aren't easy to deal with. Fortunately, the ninth miss was now in the Qingxuan continent. If she was in the Tianyuan continent... Tsk tsk tsk... It would be very lively!'

An Feng found that he had regained his senses while his thoughts were running wild!

“An Feng, keep an eye on your Revered One. If there are happenings in your little notebook, tell me and I will reward you handsomely!” Yun Chujiu said with a smile.

An Feng smiled noncommittally, thinking to himself, ‘Miss Jiu, you’ve got the complete opposite. The little notebook only records the happenings around you!’

After Di Beiming left, Yun Chujiu clamored happily! She was very pleased!

Compared to Yun Chujiu’s elation, Du Guyi from the Heavenly Gates Sect was extremely depressed! Not only did he lose the earth fire, but he also had to give one-tenth of their Spirit Stones to Spirit Radiance Sect! Fortunately, he had a deep foundation in Heavenly Gates Sect. Otherwise, he would have been forced to give up the position of sect master because of this incident!

“Master, my cousins are in Spirit Radiance Sect. Do you need them to do anything?” Su Yanran asked tentatively. She was already halfway through the ninth level of Spirit Enhancement, and her cultivation speed could be said to be very fast. Hence, she was taken in as a true disciple by Du Guyi. She was doing very well in Heavenly Gates Sect.

Du Guyi’s heart moved. “Tell me about their situation.”

Su Yanran briefly explained the situation of the Bai siblings. “Master, the two of them have a grudge against Yun Chujiu. As long as I promise them some benefits, they will definitely agree to our arrangements.”

Du Guyi nodded. “We can give them some benefits and promise them that if they can’t stay in Spirit Radiance Sect, they can join our sect. I will accept them as true disciples! Get them to inquire about the Fire Spirit Beast, and think of a way to get rid of Yun Chujiu.”

“Don’t worry, Master. I’ll get it done immediately.” Su Yanran hated Yun Chujiu to death. Even without Du Guyi’s instructions, she would have still contacted the Bai siblings.

Su Yanran handed a secret letter Heavenly Gates Sect's outer disciple that was planted in Spirit Radiance Sect and told him to hand it to Bai Moyu personally.

After receiving Su Yanran's secret letter, Bai Moyu was somewhat hesitant. Although he wished he could kill Yun Chujiu, he limited it to using subtle tricks that would help not getting him discovered. However, the Fire Spirit Beast was Spirit Radiance Sect's top secret. Once he leaked the information about the beast, then he and Morou would definitely not be able to stay in Spirit Radiance Sect. If things went wrong, they might even lose their lives.

Therefore, when Bai Moyu replied, he only mentioned that he would try his best to get rid of Yun Chujiu, and did not mention anything about the Fire Spirit Beast. Su Yanran did not mind as she wanted to get rid of Yun Chujiu first anyway. As for the Fire Spirit Beast, as long as she used some tricks, she was not afraid that the Bai siblings would not comply.
