

## The Yun Family's Ninth Child is an Imp! Chapter 435

"Junior Sister Yun, my name is Zhuo Piaoyu, I am the true disciple of Peak Master Yuan of the West Peak. We're just bickering a little. Why make a big deal out of it?" 'To put it bluntly, if we were to really start fighting, even a fourth level Spirit Enhanced cultivator like you wouldn't be a match for Junior Sister Xu.'

Senior Sister Zhuo's brows were tightly knitted together. Yun Chujiu's actions were indeed very ostentatious. No wonder Senior Brother Feng Ming took notice of her. Since that was the case, she would let Xu Yan teach her a lesson so that she can learn from it!

Yun Chujiu blinked her eyes. "Senior Sister Zhuo, are you trying to mediate the fight or are you trying to incite us to fight? Why do I feel that you really want us to fight?"

Zhuo Piaoyu never thought that Yun Chujiu would actually guess her thoughts. She looked a little embarrassed. "Junior Sister Yun, you're really unreasonable! I was trying to mediate the fight and had good intentions, but you slandered me. Since that's the case, I won't care about your matters anymore. You can settle it yourselves!"

At this time, some of the inner sect disciples who passed by gathered around and pointed at Yun Chujiu.

"It's Yun Chujiu again! Senior Sister Zhuo is the kindest and gentlest person in our Spirit Radiance Sect. I didn't expect that she would be so angry with her! She's really unreasonable!"

"I've never seen Senior Sister Zhuo so angry! This Yun Chujiu is simply too much!"

"Yeah, what Senior Sister Zhuo said wasn't wrong either. She tried to mediate the fight with good intentions and was even slandered. This Yun Chujiu is really unreasonable!"

"Yun Chujiu is a very arrogant and despotic person. The last time she used a flying spirit tool, not only did she beat up Morou and me, but she also used her foot to kick us. In the past, when we were in Ye City, she was just as vicious!" Yun Chushan stood in the crowd and said, feeling wronged.

When the crowd heard Yun Chushan's words, they became even angrier. 'This Yun Chujiu is really too much!! Are the sect masters and the five peak masters blind?! They actually valued such vicious trash!'

If it was an ordinary person who was pointed at by the crowd, they would have long been unable to bear it. Yun Chujiu acted as if nothing had happened. She blinked her eyes and said, "Alright, since Senior Sister Zhuo has advised me, I'll take a step back! Xu Yan, come over and apologize to me. Also, pay me ten thousand low-grade Spirit Stones as compensation for mental damage. I won't take this any further today!"

"Yun Chujiu, what I said is the truth! Why should I apologize to you?" At that moment, Xu Yan had Zhuo Piaoyu's support, so how could she give in? Moreover, she felt that even if they were to fight, Yun Chujiu was not her match!

"Are you sure you don't want to apologize?" The corner of Yun Chujiu's mouth curled up.

"If I don't apologize, would you dare to hit me? If you beat up a fellow disciple, you've violated the sect rules!"

Slap! Slap! Yun Chujiu suddenly went forward and gave Xu Yan two heavy slaps. Then, she kicked Xu Yan in the heart!

Xu Yan flew more than a hundred feet away and fell heavily to the ground.

Xu Yan was stunned by the slaps! She did not expect Yun Chujiu to really dare to violate the sect rules. This girl hit her just like that. She was really evil!

Yun Chujiu patted the non-existent dust on her hands and glanced around. "If you have the time to gossip, maybe you should go cultivate? If anyone dares to say anything bad about me again, I will make him unable to get out of bed for three months! If you don't believe me, you can try!"

Whether it was Zhuo Piaoyu or the onlookers, they were all stunned!

This Yun Chujiu was really bold!! She actually dared to beat up her fellow disciples in the sect?!

Also, was Xu Yan so useless?

'You are at the ninth level of the Spirit Enhancement realm and yet, you were beaten up by Yun Chujiu, who is at the fourth level of the Spirit Enhancement realm?!'

"Yun Chujiu, I'm going to kill you!" Xu Yan got up from the ground and pounced on Yun Chujiu like a madman.
