

The Yun Family's Ninth Child is an Imp! Chapter 437

Zhuo Piaoyu was robbed of her innocence by Yun Chujiu. Before she could defend herself, Yun Chujiu had already left!

There was a subtle change in the hearts of the onlookers. Although Yun Chujiu was a little arrogant, her words about Zhuo Piaoyu made some sense!

If it were not for Zhuo Piaoyu taking the stance as if she wanted to save Yun Chujiu, they would have definitely attacked. However, she did not attack despite her stance. If Yun Chujiu was not fast, she would have been either dead or injured!

Zhuo Piaoyu's eyes reddened when she saw everyone's suspicious gaze as tears fell from them. "I... I really didn't react. I was injured during the training trip. I didn't expect Junior Sister Xu to really attack, so I reacted too slowly! I have no enmity with Junior Sister Yun. Why would I want to harm her?"

Zhuo Piaoyu's gentle and reasonable image was deeply ingrained in everyone's hearts. When they heard Zhuo Piaoyu's explanation, everyone immediately believed her words. That Yun Chujiu was full of evil intentions. Perhaps she thought that everyone was like her! Zhuo Piaoyu was well-known for being gentle and kind. How could she do the kind of thing that Yun Chujiu said?!

Seeing that everyone believed her words, Zhuo Piaoyu's eyes flickered a few times. Then, she cried out in alarm and pounced toward the unconscious Xu Yan. "Junior Sister Xu! Junior Sister Xu! Are you alright??"

Although Yun Chujiu had kicked many times, she did not use her spiritual power. Therefore, although Xu Yan looked like she was in a sorry state, in reality, she fainted out of embarrassment and anger. After being shaken by Zhuo Piaoyu, she woke up.

"Junior Sister Xu? Where do you feel uncomfortable? Don't worry, Yun Chujiu broke the rules of the sect. We will testify for you. We will report to the patrolling disciples of the Law Enforcement Agency of West Peak right now and seek justice for you!" Zhuo Piaoyu said gently.

Xu Yan was so touched that she nodded repeatedly. "Thank you, Senior Sister Zhuo. That b*tch Yun Chujiu, I will not forgive her!"

Yun Chushan, who was in the crowd, curled her lips. 'What an idiot! Zhuo Piaoyu seemed to be doing this for your own good, but in reality, she had betrayed you as well! When the Law Enforcement Agency interrogates her, Yun Chujiu had merely used her fists and kicks, but you've used wind blades. When that time came, the punishment might be even heavier than Yun Chujiu's! However, what did this have to do with me? As long as Yun Chujiu was punished, it's fine!'

Zhuo Piaoyu and Xu Yan found the law enforcement team disciples who were patrolling the West Peak and told them about the incident. She thought that as the true disciple of the West Peak's master, these law enforcement disciples would immediately capture Yun Chujiu after she finished talking. Unexpectedly, those few disciples only agreed and did not do anything.

Zhuo Piaoyu frowned, "Why don't you go and capture Yun Chujiu?"

The few patrolling disciples looked at each other, then one of the disciples said, "Junior Sister Zhuo, if it was someone else, we would immediately go and capture them, but Yun Chujiu... Yun Chujiu is special."

Zhuo Piaoyu was stunned, "How is she special? Although she is a true disciple, isn't it the same as an ordinary disciple when a true disciple makes a mistake?"

"It's not a matter of a core disciple! Manager Qian specifically told us that anyone can be arrested. However, if Yun Chujiu has committed a crime, we must report it to Elder Xiao before we decide what to do."

Zhuo Piaoyu simply could not believe what she heard. She sneered and asked, "Didn't you say that Elder Xiao is impartial? Could it be that Yun Chujiu has some kind of relationship with him?"

“Junior Zhuo, you’ve misunderstood! It’s not that our Elder Xiao has anything to do with Yun Chujiu! It’s just that this Yun Chujiu has too many bad ideas! The last time Yun Chujiu was roasting a rabbit in the back mountain and was caught by Liu Qingzhen. In the end, it was Liu Qingzhen who was crippled and expelled from Spirit Radiance Sect!

On top of that, there was Luo Feng who wanted to harm Yun Chujiu. In the end he was killed by a Mighty Elephant! If we rashly go and capture her, we might even lose our lives! Sister Zhuo, please spare us! We can not afford to offend that demon!”
