

The Yun Family's Ninth Child is an Imp! Chapter 439

Yun Chujiu took out her voice transmission talisman and said slyly, "Dear Prince Charming, do you miss me? I miss you so much! I miss you so much that I can't sleep! I miss you so much that my heart is about to break!"

After a moment, the voice transmission began to vibrate. Yun Chujiu was a little excited as she sent her divine sense in. She heard Di Beiming's low voice saying, "Emhmm."

Yun Chujiu thought that she heard it wrong. She listened to it seven or eight times, and there was really only one 'Emhmm'!

This girl was instantly enraged! What a tsundere! Spare the rod, spoil the child! They have not seen each other for three days and he was playing with her by being stingy with his words!

"What do you mean 'Emhmm'? Did you miss me? Answer me properly, or I will sing you the song of fried crab with rice cake!"

After a while, the voice transmission vibrated again. Yun Chujiu proudly sent her spiritual sense into it, thinking that this time, the gigolo would definitely answer her with sweet words!

"Sing!" Di Beiming's calm voice came out from the voice transmission talisman!

Yun Chujiu was stunned at first, then she grabbed the pillow on the bed and hammered it dozens of times. "Gigolo! You're driving me nuts! You are such a tsundere! When you come back next time, I will torture you to death!"

Of course, Yun Chujiu would not really sing the song of fried crab with rice cake for Di Beiming. After punching the pillows hard, she put away the voice transmission talisman. 'Gigolo, just stay there and wait. I'll turn you into dried salted fish!'

The miserable Di Beiming was indeed waiting for Yun Chujiu's voice transmission talisman. For fifteen minutes, an hour, then two hours. There was no movement from the voice transmission talisman!

On the other side, Di Beiming was waiting bitterly. On the other side, Yun Chujiu was sleeping soundly. In her dream, she had ravaged the gigolo so much that she could not bear to wake up...

"Junior Sister Little Jiu! Junior Sister Little Jiu!" Feng Ming's shout came from outside the courtyard.

Yun Chujiu could only open her eyes reluctantly. Tsk tsk... She was just one step away from getting the gigolo. What a pity!

Yun Chujiu yawned as she walked out of the room. "Senior Brother Feng Ming, why are you looking for me so early in the morning?"

"Junior Sister Little Jiu, I heard that you beat Xu Yan up? You even scolded Junior Sister Zhuo until she cried?" Feng Ming asked anxiously.

Yun Chujiu blinked her eyes. "Senior Brother Feng Ming, you didn't call Xu Yan Junior Sister Xu, but you called Zhuo Piaoyu Junior Sister Zhuo. Could it be that you have feelings for her? She's a two-faced white lotus. Be careful not to let it screw you to death!"

Feng Ming was stunned. Then, he laughed and said, "Junior Sister Little Jiu, what are you thinking?! Junior Sister Zhuo and I often go out to gain experience. It's just that we have a good relationship. I'm worried about you! You beat Xu Yan up. I'm afraid the Law Enforcement Agency will punish you according to the sect's rules. Besides, Junior Sister Zhuo is gentle and kind. Why would she set me up? Oh right, what does the white lotus flower mean?"

"The white lotus looks weak and kind on the outside, but in reality, she always hurts the people she doesn't like very badly. Of course, if she meets a white lotus killer like me, she'll be considered unlucky!"

Yun Chujiu curled her lips, did these people have eyes that grew to the back of their heads?! How could Zhuo Piaoyu's hypocritical look show that she was gentle and kind?!

Feng Ming nodded, but he did not think much of it. He thought that Yun Chujiu was just a child. Junior Sister Zhuo had always had a good reputation all these years, and when they went out to train together, she had always taken care of everyone. Perhaps it was just this accident that made Junior Sister Little Jiu unhappy.

"Junior Sister Little Jiu, let's not talk about Junior Sister Zhuo for now. The Law Enforcement Agency will definitely come to arrest you in a while. Don't be afraid. When you arrive at the Law Enforcement Agency, properly admit your mistake. I will help you plead for mercy. I believe that Elder Xiao won't punish you too harshly!" Feng Ming comforted.

Yun Chujiu giggled. "Senior Brother Feng Ming, you don't have to worry. Have you forgotten my identity? Little Panshi wouldn't dare to do anything to me!"
