

## The Yun Family's Ninth Child is an Imp! Chapter 441

Seeing this, Feng Ming could not say anything else. He turned around and was about to comfort Yun Chujiu when he found that he was already sitting on the chair beside him. He then said to a disciple of the law enforcement hall, "Senior brother, my mouth is dry from talking. Can you help me pour some tea?"

That disciple went off and not only brought back a pot of tea, but also a plate of snacks. "Junior Sister Little Jiu, this snack is new. Try It!"

"Thank you, senior brother! Your Law Enforcement Hall is becoming more and more humane!" Yun Chujiu said with a smile.

That disciple was overwhelmed by the favor. He thought to himself, as long as you don't play any tricks on me, I will be eternally grateful! Zhuo Piaoyu and Xu Yan were inner sect disciples. They didn't know how powerful this little demon was. He actually dared to provoke her. He really had a death wish! Just wait and see. In the end, no one will be at a disadvantage!

Xu Yan and Zhuo Piaoyu were so angry that they were about to faint!

They were the plaintiffs, alright? ! They had been waiting here for the whole afternoon yesterday, but no one poured them a cup of tea. They all hid away as if they were avoiding the plague!

Now that the defendant, Yun Chujiu, had come to the hall, not only did she have tea, she was also served snacks. This was too much!

Manager Qian also felt that something was not right. He touched his nose and said, "You guys sit down first. I'll go get Elder Xiao!"

After manager Qian finished speaking, he ran away like a gust of wind!

Yun Chujiu looked at Xu Yan and Zhuo Piaoyu who was sitting across her and said with a smile, "Senior sister Xu, I have a pill that can promote blood circulation and remove blood stasis. Do you want to buy it? The effect is very good. I guarantee that after you eat it, your pig head will instantly turn beautiful!"

Xu Yan stood up in anger. "Yun Chujiu! Don't be complacent! Elder Xiao will not forgive you!"

Yun Chujiu spread her hands. "If you don't want to buy it, then don't buy it! What's the rush? ! Look at senior sister Zhuo, she has never been in a hurry. Yesterday, you fainted, and she was still trying her best to act as a White Lotus!

Tch, it must be her who urged you to come to the law enforcement hall, right? You Pig Brain, don't you think that in the end, I'll be the one to be punished for using my kicking, or you'll be punished harshly for using your wind blade? She's playing you like a fool!"

Xu Yan was stunned. Yun Chujiu was right. She had used a wind blade at that time. Had they investigated further, wouldn't her sin be even greater? Could senior sister Zhuo have done it on purpose?

Zhuo Piaoyu saw Xu Yan's doubtful gaze, she quickly said, "Junior sister Xu, you didn't believe her nonsense, did you?! I did it to avenge you! Since you're afraid of punishment, let's leave now! Moreover, Yun Chujiu was the one who attacked first. That was self-defense. Although it was a little too extreme, you'll still consider it when you punish her."

Sure enough, Xu Yan was persuaded by Zhuo Piaoyu's words. She glared at Yun Chujiu fiercely. "Yun Chujiu, you don't have to waste your efforts to sow discord between senior sister Zhuo and me! Even if I'm punished, I will take you down with me!"

Yun Chujiu pouted. "You are so stupid! In that case, just you wait! Don't blame me for not warning you. Sooner or later, you will be betrayed by your senior sister Zhuo!"

“Humph! Senior Sister Zhuo is a kind person, why would she harm me?! Stop talking nonsense! Just await your sentence!” Xu Yan felt that Yun Chujiu was deliberately trying to sow discord between her and Zhuo Piaoyu.

Yun Chujiu couldn't be bothered with her anymore. She crossed her legs and leisurely sipped her tea, thinking about how she would deal with Elder Xiao when he came.

After a while, Elder Xiao and Steward Qian walked in.

Yun Chujiu was stunned. Why did this Elder Xiao look different from usual?! It was as if a smelly and hard rock had a few holes in it!
