

The Yun Family's Ninth Child is an Imp! Chapter 444

Xu Yan felt her head buzz and her vision went black. She slumped to the ground! Half a year's worth of sect resources was nothing, but elder Xiao's impression of her had clearly got worse. She might be demoted to an outer sect disciple if he caught her again. If she was demoted to an outer sect disciple, her future would be ruined.

Zhuo Piaoyu's face was also filled with disbelief. Was this really Elder Xiao? Who had always been known for his iron face and unselfishness? Things were over just like that? Yun Chujiu had truly violated the sect rules! According to the sect rules, shouldn't she be punished to reflect on her actions for at least a month? Why was it only half a year's worth of sect resources?

Feng Ming, who stood at the side, was also dumbfounded. Could it be that he was away for too long? Why did this Elder Xiao seem to have changed into a different person? Was he becoming more and more like Elder Qu?

Even Yun Chujiu's face was filled with bewilderment. F*ck, what was going on? She had thought that her nonsense would be refuted by Little Panshi, but who would have thought that he would let her off so easily?! Did the sun rise from the north now?!

Yun Chujiu shamelessly put the spirit fruits and pastries on the table into her storage ring, then, she asked Xu Yan with a smile, "Cough cough! Senior sister Xu Yan, by the way, we can be considered friends after a fight. Do you want to buy some medicinal pills to promote blood circulation? I will give you a 20% discount!"

Xu Yan choked and actually fainted from anger!

Yun Chujiu blinked her eyes and spread her hands innocently. "It's really not my fault this time. I was being kind. I just asked her if she wanted pills!"

The disciples of the Law Enforcement Hall had silently judged Yun Chujiu to be a dangerous individual. This lady was a bogeyman! This Xu Yan still wanted to sue Yun Chujiu? She was simply digging her own grave!!

Not only did she not manage to do anything to Yun Chujiu, but her own future was instead potentially ruined! Elder Xiao held an important position in the West Peak. Disciples that he did not think highly of would never have the chance to stand out!

Zhuo Piaoyu fed Xu Yan a pill. When Xu Yan woke up... Zhuo Piaoyu then said indignantly, "Yun Chujiu, you are really too much! You knew that junior sister Xu was injured by you yesterday and her body was weak, but you still used words to provoke her. You are so young yet you're merciless!"

Yun Chujiu curled her lips. "Kind senior sister Zhuo, since you know that senior sister Xu's body is weak, why did you urge her to come to the law enforcement hall to complain? "I'm warning you for the last time, don't provoke me. Otherwise, even if peak master Yuan intervenes, I won't let you off!"

Feng Ming saw that the two of them were on the verge of fighting, he quickly said, "Alright! Alright! This is all a misunderstanding! Junior Sister Zhuo, didn't junior sister Little Jiu say that she was only helping junior sister Xu to recognize her mistake. Now that junior sister Xu has recognized her mistake and junior sister Little Jiu has been punished, this matter will be over. Don't mention it again in the future."

Zhuo Piaoyu saw that Feng Ming was protective of Yun Chujiu, her eyes reddened. "Senior brother Feng Ming, I, I just can't stand junior sister Yun bullying others like this. Our Ling Hua sect has always been amicable, but junior sister Yun has repeatedly argued with others. She should properly reflect on herself."

"Reflect on your head! Scram! Do you want me to be punished for another half a year for the sect's resources?" The thing that Yun Chujiu despised the most was this kind of hypocritical white lotus flower. It was even worse than some villains. Disgusting!

Seeing that his advice made things worse, Feng Ming grabbed Yun Chujiu and said, "Junior Sister Little Jiu, we haven't been to the Spirit Beast Park for a long time. Let's go and see the Mighty Elephants!"

Yun Chujiu saw that Feng Ming was so anxious that his forehead was sweating, so she could only nod and say, "Alright, senior brother Feng Ming, then I'll let you off today! Senior brother Feng Ming, you must remember one thing, lest you be deceived by some people!"

Feng Ming asked in puzzlement, "What Words?"

Yun Chujiu glanced at Zhuo Piaoyu and said, "Bitches are pretentious!"
